Can All this Grandeur Perish? and Other Stories

Collected Novellas

International Motion Picture Almanac

Fatal Shadows

Collection of twentieth-century essays, poetry, and short stories by members of ethnic groups in the United States. Includes introductions to the authors, and discussion questions.

Dangerous Ground

Eleven Houses

Los Angeles, 1943 Reporter Nathan Doyle had his reasons to want Phil Arlen dead, but when he sees the man's body pulled from the La Brea tar pit, he knows he'll be the prime suspect. He also knows that his life won't stand up to intense police scrutiny, so he sets out to crack the case himself. Lieutenant Matthew Spain's official inquiries soon lead him to believe that Nathan knows more than he's saying. But that's not the only reason Matt takes notice of the handsome journalist. Matt's been drawn to men before, but he must hide his true feelings—or risk his entire career. As Nathan digs deeper, it becomes increasingly difficult to stay one step ahead of Matt Spain—and to deny his intense attraction to him. Nathan's secrets may not include murder, but his hunt put him

right in the path of the real killer? Previously published. 44,490 words

A Summer Tour in Finland

Photogrammetric Engineering

A riveting account of the last eighteen months of Tsar Nicholas II's life and reign from one of the finest Russian historians writing today. In March 1917, Nicholas II, the last Tsar of All the Russias, abdicated and the dynasty that had ruled an empire for three hundred years was forced from power by revolution. Now, on the hundredth anniversary of that revolution, Robert Service, the eminent historian of Russia, examines Nicholas's life and thought from the months before his momentous abdication to his death, with his family, in Ekaterinburg in July 1918. The story has been told many times, but Service's deep understanding of the period and his forensic examination of previously untapped sources, including the Tsar's diaries and recorded conversations, as well as the testimonies of the official inquiry, shed remarkable new light on his troubled reign, also revealing the kind of Russia that Nicholas wanted to emerge from the Great War. The Last of the Tsars is a masterful study of a man who was almost entirely out of his depth, perhaps even willfully so. It is also a compelling account of the social, economic and political ferment in Russia that followed the February Revolution, the Bolshevik seizure of power in October 1917 and the beginnings

of Lenin's Soviet socialist republic.

Advanced Golf

Trees in Nature, Myth and Art

Fellow Countrymen

In *Dangerous Ground* a casino robbery finds government agents Taylor and Will playing a game of cat-and-mouse with remorseless killers in the wilderness of California's High Sierras. *Snowball in Hell* introduces police detective Lt. Matthew Spain and reporter Nathan Doyle, men thrown together by murder. But, in post-WWII Los Angeles consequences of their attraction are serious, even for good guys. Lanyon fans take note: It's around Matthew and Nathan that Lanyon builds his new mystery series. Writer Tim North assures his lover, homicide detective Jack Brady, that there's little danger in researching a sensational Hollywood murder committed decades before either of them was born. But, with *Cards on the Table*, Tim discovers that he's very, very wrong. This collection includes the bonus short story *In Sunshine or In Shadow*.

Since Alan died, Flynn isn't eating, isn't sleeping, and isn't spending a lot of time looking in mirrors. But maybe he should pay a little more attention — because something in that 18th Century mirror is looking at him... Still grieving over the sudden death of his lover, antiques dealer Flynn Ambrose moves to the old, ramshackle house on Pitch Pine Lane to catalog and sell the large inventory of arcane and oddball items that once filled his late uncle's mysterious museum. But not all the items are that easy to catalog. Or get rid of

between the pages. As a sensitive intellectual with a heart condition, his dating life is gathering dust on the shelves. But when police name him the prime suspect in the brutal murder of his friend and employee, Adrien doesn't expect his best hope for romance to be assigned to the case... Detective Jake Riordan is hungry to climb the ranks. All he has to do for a promotion is nail the handsome bookstore owner for an obvious crime of passion. If only he could stop fantasizing about the suspect instead of the "normal" wife and family his career demands... As Riordan's investigation heats up and the suspect insists on his innocence, the detective doubts both Adrien's guilt and his ability to resist the man's understated charms. Can they turn the crime into passion, or will a killer on the loose write The End?

Enchanters of Men

Dead Men Tell No Tales Mystery Bookshop owner Ellery Page and Police Chief Jack Carson are diving for the legendary sunken pirate galleon Blood Red Rose when they discover an old fashioned diver's suit, water-damaged and encrusted with barnacles. Further examination reveals the 19th Century suit contains a 21st Century body. Who is the mysterious diver? No one seems to be missing from the quaint and cozy town of Pirate's Cove. Was he really diving for pirate's gold? And if not, what exactly did he do to earn that bullet hole in his skull?

England, sometimes amateur sleuth Adrien English discovers alarming developments at Cloak and Dagger Books—and an old acquaintance seeking help in finding his missing boyfriend. Because love means never having to say you're guilty.

The Body at Buccaneer Bay: An M/M Cozy Mystery

The Haunted Heart

At a time when major social changes were beginning to develop for women, this book examines a wide range of issues relevant to women, including co-education, marriage, motherhood, clubs, trade unions, etc.

Rare Earth

Yeah, it's complicated

Special Agents for the Department of Diplomatic Security, Taylor MacAllister and Will Brandt have been partners and best friends for three years, but everything changed the night Taylor admitted the truth about his feelings for Will. Taylor agreed to a camping trip in the High Sierras -- despite the fact that he hates camping -- because Will wants a chance to save their partnership. But the trip is a disaster from the first, and things rapidly go from bad to worse when they find a crashed plane and a couple of

Download Ebook Snowball In Hell Doyle And Spain 1 Josh Lanyon

million dollars in stolen money. With a trio of murderous robbers trailing them, Will and Taylor are on dangerous ground, fighting for their partnership, their passion and their lives.

Stretched Too Thin

What determines whether complex life will arise on a planet, or even any life at all? Questions such as these are investigated in this groundbreaking book. In doing so, the authors synthesize information from astronomy, biology, and paleontology, and apply it to what we know about the rise of life on Earth and to what could possibly happen elsewhere in the universe. Everyone who has been thrilled by the recent discoveries of extrasolar planets and the indications of life on Mars and the Jovian moon Europa will be fascinated by Rare Earth, and its implications for those who look to the heavens for companionship.

Feriby

Christopher Fitz-Simon was born into an extraordinary Irish family, with Daniel O'Connell on one side and Orangemen on the other, and his childhood coincided with the Second World War - or, as it was known in the southern Irish state, the Emergency. *Eleven Houses* is a crystalline memoir of his family's odd progress through those odd years, an account by turns hilarious and heartbreaking. Christopher's father was an officer in the British army, serving in the middle east when war broke out, and the family home in these years was in fact eleven different houses, in

Download Ebook Snowball In Hell Doyle And Spain 1 Josh Lanyon

all four provinces of Ireland. Drawing on his extraordinarily vivid recall of the places and feelings of those years, Christopher Fitz-Simon tells a story of growing up that is also, in effect, a story of various hidden Irelands during the twilight years of the war. Funny, moving and sharp, it is a childhood memoir like no other.

The Adrien English Mysteries 2 Box Set

Woman in Transition

Someone is watching. Someone is waiting. Despite having attracted the attention of a dangerous stalker, Special Agent Jason West is doing his best to keep his mind on his job and off his own troubles. But his latest case implicates one of the original Monuments Men in the theft and perhaps destruction of part of the world's cultural heritage--a lost painting by Vermeer. Naval Reserve Lieutenant Commander Emerson Harley wasn't just a World War 2 hero, he was the grandfather Jason grew up idolizing. In fact, Grandpa Harley was a large part of what inspired Jason to join the FBI's Art Crime Team. Learning that his legendary grandfather might have turned a blind eye to American GIs "liberating" priceless art treasures at the end of the war is more than disturbing. It's devastating. Jason is determined to clear his grandfather's name, even if that means breaking a few rules and regulations himself--putting him on a collision course with romantic partner BAU Chief Sam Kennedy. Meanwhile, someone in the shadows is

Download Ebook Snowball In Hell Doyle And Spain 1 Josh Lanyon

biding his time

The Saturday Evening Post

Sammy and his three friends are country boys from Armagh, the disputed borderlands of a country cannibalising itself. They love sharp clothes, a drink, and a night on the town singing Perry Como's classics. Their dream is a Free State, and their methods for achieving this are uncompromising. Heading for Belfast - ground zero of the Troubles - they find themselves in the incongruous position of running a comic book shop by day. Their clandestine activities belong in the x-rated pages of graphic fiction: burglary, blackmail, extortion, torture, and murder. No criminal act is too taboo for these boys. But when punk rock arrives and the hard edge of the decade starts to reveal its true paranoid colours, Sammy finds himself increasingly isolated. Camaraderie and loyalty is the fuel of a terrorist cell. When those virtues prove faulty, the game is up - and Sammy's world starts to radically shrink. For the Good Times shouts and sings with visionary intensity and gallows humour. It is not just a book about the IRA, but an exploration of what it means to 'go rogue', and the heartbreak and devastation that commitment to 'the cause' can engender. It unpacks any dewy-eyed romance associated with the Troubles, and establishes David Keenan as one of our generation's most fearless and entertaining literary stylists.

Shortlisted for the Financial Times and Goldman Sachs Business Book of the Year Prize 2008 *The Snowball* is the first and will be the only biography of the world's richest man, Warren Buffett, written with his full cooperation and collaboration. Combining a unique blend of "The Sage of Omaha's" business savvy, life story and philosophy, *The Snowball* is essential reading for anyone wishing to discover and replicate the secrets of his business and life success. Warren Buffett is arguably the world's greatest investor. Even as a child he was fascinated by the concept of risk and probability, setting up his first business at the age of six. In 1964 he bought struggling Massachusetts textile firm Berkshire Hathaway and grew it to be the 12th largest corporation in the US purely through the exercise of sound investing principles - a feat never equalled in the annals of business. Despite an estimated net worth of around US\$62 billion, Buffett leads an intriguingly frugal life taking home a salary of only £50,000 a year. His only indulgence is a private jet, an extravagance he wryly acknowledges by calling it "The Indefensible". In 2006, he made the largest charitable donation on record, with most of it going to the Bill & Melinda Gates Foundation. *The Snowball* provides a comprehensive, richly detailed insight one of the world's most extraordinary and much loved public figures.
