Bare Bones

Enter once more the world of Roland Deschain—and the world of the Dark Tower presented in a stunning graphic novel form that will unlock the doorways to terrifying secrets and bold storytelling as part of the dark fantasy masterwork and magnum opus from #1 New York Times bestselling author Stephen King. “The man in black fled across the desert, and the gunslinger followed.” With these unforgettable words, millions of readers were introduced to Stephen King’s iconic character Roland Deschain of Gilead. Roland is the last of his kind, a “gunslinger” charged with protecting whatever goodness and light remains in his world—a world that “moved on,” as they say. In this desolate reality—a dangerous land filled with ancient technology and deadly magic, and yet one that mirrors our own in frightening ways—Roland is on a spellbinding and soul-shattering quest to locate and somehow save the mystical nexus of all worlds, all universes: the Dark Tower. Now, in the graphic novel series adaptation Stephen King's *The Dark Tower: The Gunslinger*, originally published by Marvel Comics in single-issue form and creatively overseen by Stephen King himself, the full story of Roland's troubled past and ongoing saga is revealed. Sumptuously drawn by Richard Isanove, Sean Phillips, Luke Ross, and Michael Lark, plotted by longtime Stephen King expert Robin Furth, and scripted by New York Times bestselling author Peter David, *The Gunslinger* adaptation is an extraordinary and terrifying journey—ultimately serving as the perfect introduction for new readers to Stephen King’s modern literary classic *The Dark Tower*, while giving longtime fans thrilling adventures transformed from his blockbuster novels. Now near death following a vicious attack by the Slow Mutants, Roland Deschain is taken in by a group of nuns who specialize in anything but the healing arts. These hideous, corpse-like creatures—the Little Sisters of Eluria—have murder on their twisted minds. And in his current condition, there’s almost nothing that the last gunslinger can do to prevent their tender mercies from taking hold....

The Gunslinger

Now a major motion picture starring Matthew McConaughey and Idris Elba *The fourth volume in the brilliant Dark Tower Series is “splendidly tense...rip-roaring” (Publishers Weekly)—a #1 national bestseller about an epic quest to save the universe. In *Wizard and Glass*, Stephen King is “at his most ebullient...sweeping readers up in...swells of passion” (Publishers Weekly) as Roland the Gunslinger, Eddie, Susannah, and Jake survive Blaine the Mono’s final crash, only to find themselves stranded in an alternate version of Topeka, Kansas, that has been ravaged by the superflu virus. While following the deserted I-70 toward a distant glass palace, Roland recounts his tragic story about a seaside town called Hambry, where he fell in love with a girl named Susan Delgado, and where he and his old tet-mates Alain and Cuthbert battled the forces of John Farson, the harrier who—with a little help from a seeing sphere called Maerlyn’s Grapefruit—ignited Mid-World’s final war. Filled with “blazing action” (Booklist), the fourth installment in the Dark Tower Series “whets the appetite for more” (Bangor Daily News). *Wizard and Glass* is a thrilling read from “the reigning King of American popular literature” (Los Angeles Daily News).*

The Dark Tower IV

While Jake, Father Callahan, and Oy struggle to free Susannah Dean, whose body is possessed by a demon-mother named Mia, Roland and Eddie find themselves swept by magic to East Stoneham, Maine, in the summer of 1977, where they encounter a terrifying and dangerous world, one inhabited by the author of a novel called 'Salem's Lot. 700,000 first printing.

Shining in the Dark

Magic awakens in Early America. The Red Wraith is born. Cast into exile by his tribe for being spawn of human and spirit, Naysin is lost in a world of change as pale men from the sea arrive to plunder the riches of the New World. Guided only by the devious facets of his spirit father, Naysin has no choice but to master his powers to survive the destruction of his people. But the nature of those talents is both light and dark. And so the legend of the Red Wraith begins. On the island of Bimshire, Naysin inspires a slave rebellion before abandoning it; near his former home, he marches European settlers to their deaths; and in the forests of Edgeland, he ends a battle by massacring both sides. Such acts cause much of the New World to see him as an indigenous monster who delights in butchering white innocents. The infamy is well-earned, but when Naysin encounters a group of fellow magic-users, he realizes he may yet have a chance to set things right. He just has to conquer the only thing that ensures his survival: the dual facets of his father.
