Heart of Darkness, a novel by Joseph Conrad, was originally a three-part series in Blackwood's Magazine in 1899. It is a story within a story, following a character named Charlie Marlow, who recounts his adventure to a group of men onboard an anchored ship. The story told is of his early life as a ferry boat captain. Although his job was to transport ivory downriver, Charlie develops an interest in investing an ivory procurement agent, Kurtz, who is employed by the government. Preceded by his reputation as a brilliant emissary of progress, Kurtz has now established himself as a god among the natives in "one of the darkest places on earth." Marlow suspects something else of Kurtz: he has gone mad. A reflection on corruptive European colonialism and a journey into the nightmare psyche of one of the corrupted, Heart of Darkness is considered one of the most influential works ever written.

A Streetcar Named Desire (1947) and Cat on a Hot Tin Roof (1955) are major plays by Tennessee Williams, one of America's most significant dramatists. They both received landmark productions and are widely-studied and performed around the

world. The plays have also inspired popular screen adaptations and have generated a body of important and lasting scholarship. In this indispensable Reader's Guide, Thomas P. Adler:

- charts the development of the criticism surrounding both works, from the mid-twentieth century through to the present day
- provides a readable assessment of the key debates and issues
- examines a range of theoretical approaches from biographical and New Criticism to feminist and queer theory.

In so doing, Adler helps us to appreciate why these plays continue to fascinate readers, theatregoers and directors alike.

### **Study Guide to The Glass Menagerie and A Streetcar Named Desire by Tennessee Williams**

The plays of Tennessee Williams are some of the greatest triumphs of the American theatre. If Williams is not the most important American playwright, he is surely one of two or three of the most celebrated, rivaled only by Eugene O'Neill and Arthur Miller. But in a career that spanned almost five decades, he also produced two collections of poetry, two novels, four collections of stories, and scores of essays. This reference book offers a thorough review of the vast body of research on his works, along with a history of performance. The volume contains chapters devoted to particular works or clusters of works, and each is written by an expert contributor. Each chapter includes a discussion of the biographical context of the work or group of works; a survey of the bibliographic history; a summary of major critical approaches, which looks at themes, characters, symbols, and plots; a consideration of the major critical problems posed by the work; a review of chief productions and film and television versions; a concluding overview; and a bibliography of secondary sources.

Three Jewish middle-aged sisters, originally from Brooklyn, come together in Queen Anne's Gate, London, to celebrate the fifty-fourth birthday of Sara, the eldest, now a brilliant British banker. Divorced, a single mother, Sara no longer sees the necessity for romance. Gorgeous, suburban housewife and mother, is also a talk-show personality. And Pfeni, journalist and travel writer, still hasn't written her serious book on the women of Tajikistan. Pfeni's boyfriend, Geoffrey, director of the hit musical *The Scarlet Pimpernel*, brings to Sara's house Mervyn, a faux furrier, "the world leader in synthetic animal protective covering". Sara meets Merv and finds that even at fifty-four there are possibilities. An exuberant, heart-warming, contemporary comedy by one of America's best playwrights.

## **The Duchess of Malfi and a Streetcar Named Desire**

*A Doll's House* is a three-act play in prose by Henrik Ibsen. The play is significant for its critical attitude toward 19th century marriage norms. It aroused great controversy at the time, as it concludes with the protagonist, Nora, leaving her husband and children because she wants to discover herself. Ibsen was inspired by the belief that "a woman cannot be herself in modern society," since it is "an

exclusively male society, with laws made by men and with prosecutors and judges who assess feminine conduct from a masculine standpoint." Its ideas can also be seen as having a wider application: Michael Meyer argued that the play's theme is not women's rights, but rather "the need of every individual to find out the kind of person he or she really is and to strive to become that person." In a speech given to the Norwegian Association for Women's Rights in 1898, Ibsen insisted that he "must disclaim the honor of having consciously worked for the women's rights movement," since he wrote "without any conscious thought of making propaganda," his task having been "the description of humanity." In 2006, the centennial of Ibsen's death, *A Doll's House* held the distinction of being the world's most performed play.

The very title of Sweet Bird of Youth is one of ironic pity. The two chief characters--a raddled has-been actress from Hollywood, seeking to forget her present in drugs and sex, and her still handsome masseur-gigolo, who has brought her to his hometown in the South, believing that through her money and faded glamor his gaudy illusions may yet come true--are the reverse side of the American dream of youth. Yet as they work out their fate amid violence and horror, there is nevertheless a note of compassion for the damned.

### **I Rise in Flame, Cried the Phoenix**

The Pulitzer Prize and Drama Critics Circle Award winning play—reissued with an introduction by Arthur Miller (Death of a Salesman and The Crucible), and Williams' essay "The World I Live In." It is a very short list of 20th-century American plays that continue to have the same power and impact as when they first appeared—57 years after its Broadway premiere, Tennessee Williams' A Streetcar Named Desire is one of those plays. The story famously recounts how the faded and promiscuous

Blanche DuBois is pushed over the edge by her sexy and brutal brother-in-law, Stanley Kowalski. Streetcar launched the careers of Marlon Brando, Jessica Tandy, Kim Hunter and Karl Malden, and solidified the position of Tennessee Williams as one of the most important young playwrights of his generation, as well as that of Elia Kazan as the greatest American stage director of the '40s and '50s. Who better than America's elder statesman of the theater, Williams' contemporary Arthur Miller, to write as a witness to the lightning that struck American culture in the form of *A Streetcar Named Desire*? Miller's rich perspective on Williams' singular style of poetic dialogue, sensitive characters, and dramatic violence makes this a unique and valuable new edition of *A Streetcar Named Desire*. This definitive new edition will also include Williams' essay "The World I Live In," and a brief chronology of the author's life.
