The History of the Standard Oil Company

The Old Boston Taverns and Tavern Clubs by Samuel Adams Drake, first published in 1886, is a rare manuscript, the original residing in one of the great libraries of the world. This book is a reproduction of that original, which has been scanned and cleaned by state-of-the-art publishing tools for better readability and enhanced appreciation. Restoration Editors' mission is to bring long out of print manuscripts back to life. Some smudges, annotations or unclear text may still exist, due to permanent damage to the original work. We believe the literary significance of the text justifies offering this reproduction, allowing a new generation to appreciate it.

Fox and McDonald's Introduction to Fluid Mechanics

Someone to Care

Anne of Green Gables is a children's classic by Canadian author L. M. Montgomery and recently adapted by Netflix in the hit series Anne with an E. 11-year-old Anne is mistakenly sent away from her orphanage to live on Prince Edward Island with brother and sister Matthew and Marilla Cuthbert who need help on their farm. Wild and imaginative Anne learns to find her place in the little town of Avonlea, makes friends, and strives to be the best in school. A children and adults' favourite Anne's tale of is one of love, individuality, and (mis)adventures. Lucy Maud Montgomery (1874-1942) was a Canadian author. She is most famous for her novel 'Anne of Green Gables' that was an instant hit and became a series that is still enjoyed by children and parents the world over. She grew up on Prince Edward Island and was raised by her grandparents after her mother's early death. Much like her most famous character, Anne, Montgomery had a lonely childhood for which she found relief in the beautiful nature of Prince Edward and in her fierce imagination, which she very early on turned into writing. She's a canon of Canadian and children's literature with over twenty novels, and hundreds of short-stories, poems, and essays to her name.

New English Canaan of Thomas Morton

Violet Carrington is a freshman at Elton Hall University, but she's about to get more than just her degree Throwing herself into the insanity of college life, Violet makes new friends and even catches the eye of a handsome guy. Everything is as it should be, until one night out she crosses paths with a mysterious, sinfully attractive man. Not only does he manage to ignite a burning desire deep inside her, he also happens to be her new, off-limits college professor. Professor David Berneli is only visiting Elton Hall, but a lot can happen in a year Everyone knows any personal relationship between professor and student is strictly prohibited. But somewhere in between lectures and after school events, Violet manages to dazzle him. She not only challenges David at every turn, but also tempts his every desire. No matter how hard they try to ignore the crackle of sexual tension between them, a few furtive glances quickly turn into clandestine meetings in his office. By giving in to temptation, Violet and David fall deeper down the rabbit hole As the semester ticks on, Violet begins to question not only the whirlwind affair that threatens to consume them both, but David's desires as well. If he's not willing to risk everything for her, she'll have no choice but to leave the comfort of his arms without looking back. Before any decision can be made, a looming threat comes out of the shadows, putting her and the passionate relationship she has with her professor in danger. Now Violet must fight for her own life, and for the one she wants to spend it with

Professed

The famous history that inspired so many adventure novels, movies and most recently Black Sails & Pirates of the Caribbean. Find out the truth behind the legend: Table of Contents: Of Captain Avery, And his Crew Of Captain Martel, And his Crew Of Captain Teach, alias Blackbeard Of Major Stede Bonnet, And his Crew Of Capt. Edward England, And his Crew Of Captain Charles Vane, And his Crew Of Captain John Rackam, And his Crew The Life of Mary Read, And Anne Bonny Of Captain Howel Davis, And his Crew Of Captain Bartho. Roberts, And his Crew Of Captain Anstis, And his Crew Of Captain Worley, And his Crew Of Capt. George Lowther, And his Crew Of Captain Edward Low, And his Crew Of Capt. John Evans, And his Crew. Of Captain John Phillips, And his Crew. Of Captain Spriggs, And his Crew. An Account of the Pyracies and Murders committed by Philip Roche, &c. An Abstract of the Civil Law and Statute Law now in Force, in Relation to Pyracy Of Captain Misson Of Capt. John Bowen Of Capt. William Kid Of Captain Tew, And his Crew Of Capt. Of Captain Vane Of Captain Bowen Captain Charles Johnson is the British author whose real identity remains a mystery but the manner in which he demonstrates a knowledge of the sailor's speech and life, suggests that he could have been an actual sea captain or a professional writer using a pseudonym who was well versed in the sea.

Entrepreneurship: Ideas in Action

Beyond radical design? -- A map of unreality -- Design as critique -- Consuming monsters: big, perfect, infectious -- A methodological playground: fictional worlds and thought experiments -- Physical fictions: invitations to make believe -- Aesthetics of unreality -- Between reality and the impossible -- Speculative everything. Inhalt: Today designers often focus on making technology easy to use, sexy and consumable. In this book the concept is proposed, that design is used as a tool to create not only things but ideas. Design means speculating about how things could be - to imagine possible futures. This is not the usual sort of predicting or forecasting, spotting trends and extrapolating; these kinds of predictions have been proven wrong again and again. The "what-if" questions that are intended to open debate and discussions about the kind of future people want (and do not want).

The Complete Book of Numerology

Baseball?s all-time Iron Man, Cal Ripken, Jr., retired from baseball in 2001 after breaking countless records, including Lou

Gehrig's record for consecutive games played. Now, in *Get in the Game*, he gives us his insights on hard work and success that can be applied on and off the field, based on stories from his exhilarating career in baseball. *Get in the Game* includes Ripken's 8 Elements of Perseverance: 1. The Right Values 2. A Strong Will to Succeed 3. Love What You Do 4. Preparation 5. Anticipation 6. Trusting Relationships 7. Life Management 8. The Courage of Your Convictions Ripken is admired not only for his relentless perseverance but also for his unparalleled integrity. From his numerous public-speaking engagements each year to his weekly "Ask Cal" column for the Baltimore Sun, Cal Ripken, Jr., is a sought-after advisor and role model to fans from all walks of life.

American Book-plates

I fuck my students I just can't seem to keep it in my pants when these young sexy women throw themselves at me! But now, I must stop behaving like such a d**k, not that my dead wife would care If I get caught sleeping with my students, I'll lose my job. And if I don't get my s**t together, they'll come for the only good thing in my life my daughter. But I have a plan to fix all that. I have a plan for the girl next door

Something Wicked This Way Comes

****Instant New York Times Bestseller**** Once the Countess of Riverdale, Viola Kingsley throws all caution to the wind when adventure calls in the form of a handsome aristocrat. . . . Two years after the death of the Earl of Riverdale, his family has overcome the shame of being stripped of their titles and fortune--except for his onetime countess, Viola. With her children grown and herself no longer part of the social whirl of the ton, she is uncertain where to look for happiness--until quite by accident her path crosses once again with that of the Marquess of Dorchester, Marcel Lamarr. Marcel Lamarr has been a notorious womanizer since the death of his wife nearly twenty years earlier. Viola caught his eye when she herself was a young mother, but she evaded his seduction at the time. A prize that eluded him before, she is all the more irresistible to him now although he is surprised to discover that she is as eager now for the excitement he offers as he is himself. When the two defy convention and run away together, they discover that the ties of respectability are not so easily severed, and pleasure can ensnare you when you least expect it. . . .

Radical Wholeness

To the conventional scientist, numbers are merely symbols of comparative quantities, but in the broader, metaphysical sense, they assume a deeper, more profound significance. *The Complete Book of Numerology* reveals the underlying meaning behind the numbers in your life and enables you to understand the connection between your numerological

patterns and your degree of abundance, health, and general well-being. Overall, delving into the world of numbers will provide you with a simple and accurate way to decipher your experiences in the same manner that a road map helps you navigate a route that you haven't previously traveled.

Marine Biology: A Very Short Introduction

"The Pirates' Who's Who" by Philip Gosse. Published by Good Press. Good Press publishes a wide range of titles that encompasses every genre. From well-known classics & literary fiction and non-fiction to forgotten—or yet undiscovered gems—of world literature, we issue the books that need to be read. Each Good Press edition has been meticulously edited and formatted to boost readability for all e-readers and devices. Our goal is to produce eBooks that are user-friendly and accessible to everyone in a high-quality digital format.

First Semester

A house at the beach. A bunch of hot strangers. A three-month party that's Off The Hook. Seven randoms cram into a house down the shore, and they've all got agendas. Curt wants a gig. Polly wants a life. Owen's jonesing for someone he can't have. And everyone's geared up for one wicked summer. Surfing all day, partying all night. Here's the real question: If your boyfriend's cheating but you're too busy hooking up, does it really count? And if people aren't who they say they are, does it really matter?

The Auction Series

Discusses how to get to the root of eating habits, and offers advice on improving body image, dealing with emotional eating, and exercise.

Get in the Game

When twenty-two year old Jeremy West decided to take a few art classes in addition to his computer engineering degree, he had no idea that one of his professors would knock him off his feet. Professor Peter Foster, a young handsome and talented thirty-four year old professional artist, put Jeremy into heat every time he sat in his lecture hall or attended his sculpture class. Soon, Jeremy's good looks caught his teacher's eye. Finding a way to meet with him after class, Jeremy learns that the object of his desire is living with a young woman he married on one drunken night in Reno a year ago. A relationship becomes inevitable as the two find the physical attraction they share too much to deny. They begin a secret affair together

until suspicion is aroused and rumors begin to circulate campus. A relationship between them was inevitable, but will Peter make the changes in his life to open the door for this new love? Or will he be simply just another favored student, the teacher's pet?

A New Song

A guide by the author sometimes called "Dr. Tell It Like It Is" addresses the issues of self and self-esteem, demonstrating how to fully realize one's own power by utilizing a plan that explains how to overcome fear and fulfill personal potential. Reprint. 750,000 first printing.

Housewife in Handcuffs

The Winning Bid and The Final Bid are now available in one complete book for your reading convenience! Desperate to gain funds needed to start a new life, Hannah goes to work as a submissive at an exclusive, members only club, agreeing to be auctioned off to the highest bidding dominate at the regular weekend auction. Drew, a rich, handsome VIP at the club, has had two weeks from hell and is looking forward to unleashing some much-needed stress. And what better way than with one of the lovely subs at auction? From the moment Hannah walks onto the stage, he knows he must possess her. Possess her he does, but is confused and overwhelmed by the feelings he quickly develops. Hannah walks away at the end of the weekend without looking back. Drew attempts to do the same, but can't erase her from his mind, his skin, and he fears, his heart. When a chance sighting of Hannah occurs outside the club, Drew discovers a secret that forces him to question everything he thought he knew about himself and his heart.

Stress and Health

In Life Code: The New Rules for Winning in the Real World, six-time New York Times #1 best-selling author Dr. Phil McGraw abandons traditional thinking and tells you the ugly truth about the users, abusers, and overall "bad guys" we all have in our lives. He also reveals the secrets of how they think and how they get to and exploit you and those you love. You'll gain incredible insight into these negative people, which he refers to as BAITERS (Backstabbers, Abusers, Imposters, Takers, Exploiters, Reckless), and you'll gain the tools to protect yourself from their assaults. Dr. Phil's new book gives you the "Evil Eight" identifiers so you can see them coming from a mile away, as well as their "Secret Playbook," which contains the "Nefarious 15" tactics they use to exploit you and take what is yours mentally, physically, socially and professionally. Life Code then focuses on you and your playbook, which contains the "Sweet 16" tactics for winning in the real world. Edgy, controversial and sometimes irreverent, Dr. Phil again abandons convention to prepare you to claim what you deserve and

claim it now. You take flying lessons to learn to fly, swimming lessons to learn to swim, and singing lessons to learn to sing. So, why not take winning lessons to learn to win?

Everyman

Self Matters

A Book-Lover's Holidays in the Open is a classic literary work by Teddy Roosevelt which describes the US president's adventures in the great American outdoors. The man should have youth and strength who seeks adventure in the wide, waste spaces of the earth, in the marshes, and among the vast mountain masses, in the northern forests, amid the steaming jungles of the tropics, or on the deserts of sand or of snow. He must long greatly for the lonely winds that blow across the wilderness, and for sunrise and sunset over the rim of the empty world. His heart must thrill for the saddle and not for the hearthstone. He must be helmsman and chief, the cragsman, the rifleman, the boat steerer. He must be the wielder of axe and of paddle, the rider of fiery horses, the master of the craft that leaps through white water. His eye must be true and quick, his hand steady and strong. His heart must never fail nor his head grow bewildered, whether he face brute and human foes, or the frowning strength of hostile nature, or the awful fear that grips those who are lost in trackless lands.

Professor Next Door

New York Times bestselling author Mary Blaogh presents the first historical romance in the Westcott series, where the death of an earl reveals a most scandalous secret. Humphrey Westcott, Earl of Riverdale, has died, leaving behind a fortune that will forever alter the lives of everyone in his family--including the daughter no one knew he had Anna Snow grew up in an orphanage in Bath knowing nothing of the family she came from. Now she discovers that the late Earl of Riverdale was her father and that she has inherited his fortune. She is also overjoyed to learn she has siblings. However, they want nothing to do with her or her attempts to share her new wealth. But the new earl's guardian is interested in Anna Avery Archer, Duke of Netherby, keeps others at a distance. Yet something prompts him to aid Anna in her transition from orphan to lady. As London society and her newfound relatives threaten to overwhelm Anna, Avery steps in to rescue her and finds himself vulnerable to feelings and desires he has hidden so well and for so long.

Teacher's Pet

Slide or Die

At a secret masked ball at Yale, Naomi Costa is literally swept off her stiletto-blistered feet by a man with a killer jawline, a perfect body, and an even-better kiss. They bust out of an emergency exit and have axis-shaking sex. He pours whiskey in her belly button and after they run out of condoms, they have to get creative. That kind of sex. The next day, she learns that he is none other than Dr. Benjamin Beck, a brand new member of the Yale faculty and the hottest thing to happen to academia since well, ever. She has to take his damned junior seminar to graduate, but it gets worse. He's also her College Master: her boss, her advisor, her everything. And he's just moved in, right downstairs. They can't stay away from each other. They're either fusion or fission or both. They're making out in libraries, hiding notes between stones, and sneaking off to nautically themed AirBnbs. Hear that sound? It's the academic code of ethics going up in flames. If they're found out, he'll lose his job and his reputation. She'll lose her scholarship and be forced to return to the life of lobster fishing that she thought she'd escaped. And they will be found out, yes they will. So what the hell are they going to do? *** To the reader: Things get damned dirty in this book. The characters curse, the sex gets explicit. It's an erotic love story with fury. Be advised. This is a stand-alone novel. Other tasters' notes: HEA. Sweet. Funny. Dirty. Muddy. Wet. Inspired by a real professor.

Outdoor Pastimes of an American Hunter

Philip Roth's new novel is a candidly intimate yet universal story of loss, regret, and stoicism. The best-selling author of *The Plot Against America* now turns his attention from "one family's harrowing encounter with history" (*New York Times*) to one man's lifelong skirmish with mortality. The fate of Roth's everyman is traced from his first shocking confrontation with death on the idyllic beaches of his childhood summers, through the family trials and professional achievements of his vigorous adulthood, and into his old age, when he is rended by observing the deterioration of his contemporaries and stalked by his own physical woes. A successful commercial artist with a New York ad agency, he is the father of two sons from a first marriage who despise him and a daughter from a second marriage who adores him. He is the beloved brother of a good man whose physical well-being comes to arouse his bitter envy, and he is the lonely ex-husband of three very different women with whom he's made a mess of marriage. In the end he is a man who has become what he does not want to be. The terrain of this powerful novel -- Roth's twenty-seventh book and the fifth to be published in the twenty-first century -- is the human body. Its subject is the common experience that terrifies us all. *Everyman* takes its title from an anonymous fifteenth-century allegorical play, a classic of early English drama, whose theme is the summoning of the living to death.

Let the Circle Be Unbroken

Life on an Ocean Planet

The Pirates' Who's Who

Stress and Health: Biological and Psychological Interactions, by William R. Lovallo, is a brief and accessible examination of psychological stress and its psychophysiological relationships with cognition, emotions, brain functions, and the peripheral mechanisms by which the body is regulated. Updated throughout, the Third Edition covers two new and significant areas of emerging research: how our early life experiences alter key stress responsive systems at the level of gene expression; and what large, normal, and small stress responses may mean for our overall health and well-being.

Speculative Everything

A Harvard law graduate finds that the tax firm he's employed by is not what it seems when the FBI approaches him to become an informant.

A History of Witchcraft in England from 1558 to 1718

The Billionaire's Son

Four black children growing up in rural Mississippi during the Depression experience racial antagonisms and hard times, but learn from their parents the pride and self-respect they need to survive.

Old Boston Taverns and Tavern Clubs

Two boys' lives are changed forever when a sinister travelling carnival stops at their Illinois town.

Life Code

This new book by the author of *New Self, New World* shows that the primary deficiency inflicted on us by our culture is the inability to feel wholeness-in the self, the body, and the world around us. Because we have been systematically trained to numb ourselves to wholeness and to confine our attention to the boundary of the self, we live in our heads, disconnected from the body and at odds with the world. We accept that it's normal to feel fragmented, reactionary, and stale. This book is a call to action to recover wholeness and to experience a new way of being. Philip Shepherd draws from neuroscience, anthropology, physics, art, and myth-as well as his extensive work as an international embodiment expert-to explain how our culture's limitations live in the body, and to help readers transcend them. Shepherd explains that the elusive qualities that we all yearn to experience-peace, simplicity, passion, grace, connection, and clarity-arise from an experience of wholeness. He highlights how, though everything is in relationship with everything else and wholeness surrounds us, blindness to it continues to manifest in our culture and our bodies. He suggests original exercises to help us reclaim the birthright of our wholeness and to experience a new way of being. He leaves readers with a fresh, renewed way of understanding their personal lives and the problems that we face as a culture, as well as a clear sense of the way forward.

A Book-lover's Holidays in the Open

Recently retired, Episcopal priest Father Tim and his wife, Cynthia, discover new challenges and adventures when Tim agrees to serve as interim minister of a small church on Whitecap Island, in the fifth novel in the bestselling Mitford series. Reprint.

Anne of Green Gables

The oceans are our planet's most distinctive and imposing natural habitat. They cover 71 per cent of its surface; support a

remarkably diverse and exquisitely adapted array of life forms, from microscopic viruses, bacteria, and plankton to the largest existing animals; and possess many of Earth's most significant, intriguing, and inaccessible ecosystems. In an era in which humans are significantly altering the global environment, the oceans are undergoing rapid and profound changes. The study of marine biology is thus taking on added importance and urgency as people struggle to understand and manage these changes to protect our marine ecosystems. Healthy oceans produce half of the oxygen we breathe; stabilize our climate; create ecosystems that protect our coasts from storms; provide us with abundant food; and host diverse organisms that provide us with natural products for medicine and biotechnology. In this Very Short Introduction, marine biologist Philip Mladenov provides an accessible and up-to-date overview of marine biology, offering a tour of marine life and marine processes that ranges from the unimaginably abundant microscopic organisms that drive the oceans' food web to the apex predators that we exploit for food; from polar ocean ecosystems to tropical coral reefs; and from the luxurious kelp beds of the coastal ocean to deep-ocean hydrothermal vents where life exists without the energy of the sun. Throughout the book he considers the human impacts on marine life including overfishing, plastic and nutrient pollution, the spread of exotic species, and ocean warming and acidification. He discusses the threats these pose to our welfare, and the actions required to put us on a path to a more sustainable relationship with our oceans so that they can be restored and protected for future generations. Mladenov concludes with a new chapter offering an inspiring vision for the future of our oceans in 2050 that can be realised if we are wise enough to accelerate actions already underway and be bold with implementing new approaches. The next decade will decide the state of the oceans that we leave behind for future generations. ABOUT THE SERIES: The Very Short Introductions series from Oxford University Press contains hundreds of titles in almost every subject area. These pocket-sized books are the perfect way to get ahead in a new subject quickly. Our expert authors combine facts, analysis, perspective, new ideas, and enthusiasm to make interesting and challenging topics highly readable.

The Firm

Through ten editions, Fox and McDonald's Introduction to Fluid Mechanics has helped students understand the physical concepts, basic principles, and analysis methods of fluid mechanics. This market-leading textbook provides a balanced, systematic approach to mastering critical concepts with the proven Fox-McDonald solution methodology. In-depth yet accessible chapters present governing equations, clearly state assumptions, and relate mathematical results to corresponding physical behavior. Emphasis is placed on the use of control volumes to support a practical, theoretically-inclusive problem-solving approach to the subject. Each comprehensive chapter includes numerous, easy-to-follow examples that illustrate good solution technique and explain challenging points. A broad range of carefully selected topics describe how to apply the governing equations to various problems, and explain physical concepts to enable students to model real-world fluid flow situations. Topics include flow measurement, dimensional analysis and similitude, flow in pipes, ducts, and open channels, fluid machinery, and more. To enhance student learning, the book incorporates numerous

pedagogical features including chapter summaries and learning objectives, end-of-chapter problems, useful equations, and design and open-ended problems that encourage students to apply fluid mechanics principles to the design of devices and systems.

HISTORY OF PIRATES - True Story of the Most Notorious Pirates

Howard Pyle's Book of the American Spirit

Someone to Love

The Billionaire's Son - The Series The Billionaire's Son is an erotic romance series packed with intrigue, danger, secrets, powerful billionaires, clandestine sex clubs and sizzling sex scenes. The heroine, Julia, has nothing but disdain for the impossibly sexy, Derek, when they first meet. He's an arrogant, spoiled playboy who seems to catch Julia at every turn in humiliating and compromising situations. As the mystery unfolds, Julia and Derek are thrown together and sparks fly. Ultimately, they not only find the answers they are searching for, but much more than they ever expected. The Billionaire's Son - Part 1 At the request of Jackson Vaughn himself, Julia has been working at the billionaire's estate for weeks. In all the time she's been there, she has never run into a single soul besides staff. One day, after showering off at the poolside cabana, Julia discovers her clothes missing. Her timing couldn't be worse, because today there's a special visitor. The Billionaire's Son is a ~7,000 word erotic romance which contains explicit depictions of sexual acts including voyeurism, masturbation, threesome, light bdsm, spanking and much more. This story is intended for an adult audience only!
