## **The Aladdin Factor**

What is the one quality that all successful people have in common? They have mastered the art of dealing with people! Let this book show you how to: Achieve your goals Handle the human ego Become a master conversationalist Make others feel good about themselves And much more! Skill with people is the one essential ingredient for success and happiness at home and in business. "The Art of Dealing With People" gives you the skills to take your people skills to a level that you never thought possible! Skill in human relations is similar to skill in any other field, in that success depends on understanding and mastering certain basic general principles. You must not only know what to do, but why you're doing it. As far as basic principles are concerned, people are all the same. Yet each individual person you meet is different. If you attempted to learn some gimmick to deal successfully with each separate individual you met, you would be face with a hopeless task. Influencing people is an art, not a gimmick. When you apply gimmicks in a superficial, mechanical manner, you go through the same motions as the person who "has a way," but it doesn't work for you. The purpose of this book is to give

you knowledge based upon an understanding of human nature: why people act the way they do. The methods presented in this book have been tested on thousands of people who have attended my human relations seminars. They are not just my pet ideas of how you should deal with people, but ideas that have stood the test of how you must deal with people. That is, if you want to get along with them and get what you want at the same time. Yes, we all want success and happiness. And the day is long past, if it ever existed, when you could achieve these goals by forcing people to give you what you want. And begging is no better, for no one has respect for, or any desire to help, the person who constantly kowtows and literally goes around with his hand out, begging other people to like him. The one successful way to get the things you want from life is to acquire skill in dealing with people. Download now and you will learn how.

## **The Power of Focus Tenth Anniversary Edition**

Tears of My life is the unforgettable account of a dreaded famine that claimed many lives. It is the story of Kofi, the author, whose courage to survive amid

scoundrels is rare. His torturous struggles, worsened due to the death of his father, have inevitably left some dark stories-tales that gave birth to dangerous child labor. His luxury of food was nothing more than dried palm nuts with herbs or unripe mangoes. In abject poverty, he started school under a big mango tree and later attended in an old structure with palm-kernel walls. Looking back at his past and his many sufferings as a sand-winner, minor road construction laborer, and a lot more during his teenage years, Kofi felt that he was abused, victimized, and enslaved by his own people. This was why he envisioned suicide as his last resort after a betrayal by an evil friend. His awesome survival of partial blindness, inflicted grief, and undesirable dejection has lifted him beyond the odds with great hopes for the suffering children around the globe. As the reader goes through the dreaded facts of every wretched situation with him, Kofi smiles at the memories that lie like dust and ashes on his heart, while his enemies rot in the doldrums with shame, devastation, and hopelessness. Through each near-fatal struggle, you'll find yourself enduring his pain, comforting his dejection, and fighting for his will to survive. This inspirational story will remind you of the truth about child labor and the ability we all have to make a difference.

## **Tapping Into Ultimate Success**

There's nothing better than a book you can't put down—or better yet, a book you'll never forget. This book puts the power of transformational reading into your hands. Jack Canfield, cocreator of the bestselling Chicken Soup for the Soul® series, and self-actualization pioneer Gay Hendricks have invited notable people to share personal stories of books that changed their lives. What book shaped their

outlook and habits? Helped them navigate rough seas? Spurred them to satisfaction and success? The contributors include Dave Barry, Stephen Covey, Malachy McCourt, Jacquelyn Mitchard, Mark Victor Hansen, John Gray, Christiane Northrup, Bernie Siegel, Craig Newmark, Michael E. Gerber, Lou Holtz, and Pat Williams, to name just a few. Their richly varied stories are poignant, energizing, and entertaining. Author and actor Malachy McCourt tells how a tattered biography of Gandhi, stumbled on in his youth, offered a shining example of true humility—and planted the seeds that would help support his sobriety decades later. Bestselling author and physician Bernie Siegel, M.D., tells how William Saroyan's *The Human Comedy* helped him realize that, in order to successfully treat his patients with life-threatening illnesses, "I had to help them live—not just prevent them from dying." Actress Catherine Oxenberg reveals how, at a life crossroads and struggling with bulimia, a book taught her the transforming difference one person could make in the life of another—and why that person for her was Richard Burton. Rafe Esquith, the award-winning teacher whose inner-city students have performed Shakespeare all over the world, recounts his deep self-doubt in the midst of his success—and how reading *To Kill a Mockingbird* strengthened him to continue teaching. Beloved librarian and bestselling author Nancy Pearl writes how, at age ten, Robert Heinlein's science fiction book *Space Cadet* impressed on her the meaning of personal integrity and gave her a vision of world peace she'd never imagined possible. Two years later, she marched in her first civil rights demonstration and learned that there's always a way to make "a small contribution to intergalactic harmony." If you're looking for insight and illumination—or simply for that next great book to read—*You've Got to Read This Book!* has treasures in store for you.

Have you ever asked yourself why you are on planet Earth? And what the ultimate purpose for your life might be? Well, Jack Canfield asked himself this very question and came up with a surprising answer —part of which included a vision revealing that he is part of a "Golden Motorcycle Gang" —a gang whose intent is to have fun, but also to make significant contributions to the well-being of humanity. During a joyful dinner many years ago in Santa Barbara, California, Jack told his friend William Gladstone about the Gang. Upon hearing this account, William had an epiphany that Jack's story held a powerful underlying truth not only explaining Jack's true purpose, but William's as well. For more than ten years, William encouraged Jack to write a book based on the story of the Gang, so they have now collaborated on this work to show you its relevance to this critical moment in the history of human civilization . . . and also to you, personally. As you read, you will be introduced to some of the extraordinary members of the Golden Motorcycle Gang, including visionary thinkers such as Barbara Marx Hubbard, the originator of the concept of Conscious Evolution. The mystery and adventure inherent in this book reveals that there is now the opportunity for all of us on planet Earth to make a quantum leap in real time toward choosing the actual course of our evolution. Along the way, we are meant to experience the joy that comes from recognizing who we really are. Perhaps, as you embark on Jack's journey along with him . . . you will find that you are also a member of the Golden Motorcycle Gang! So get ready for the adventure of your life!
