An Episode of War

The definitive memoir of Arthur Miller—the famous playwright of *The Crucible*, *All My Sons*, *Death of a Salesman*, *A View from the Bridge*, and other plays—*Timebends* reveals Miller's incredible trajectory as a man and a writer. Born in 1915, Miller

grew up in Harlem in the 1920s and 1930s, developed leftist political convictions during the Great Depression, achieved moral victory against McCarthyism in the 1950s, and became president of PEN International near the end of his life, fighting for writers' freedom of expression. Along the way, his prolific output established him as one of the greatest writers of the twentieth century—he wrote twenty-two plays, various screenplays, short stories, and essays, and won the Pulitzer Prize in 1949 for *Death of a Salesman* and the New York Drama Critics Circle Award in 1947 for *All My Sons*. Miller also wrote the screenplay for *The Misfits*, Marilyn Monroe's final film. This memoir also reveals the incredible host of notables that populated his life, including Marilyn Monroe, Elia Kazan, Clark Gable, Sir Laurence Olivier, John F. Kennedy, and Mikhail Gorbachev. Leaving behind a formidable reputation in the worlds of theater, cinema, and politics, Arthur Miller died in 2005 but his memoir continues his legacy.

Reconstructing Amelia

Overnight, Reverend Hooper has taken to wearing a translucent, but dark veil. Believing the veil to be symbolic of his sin, Hooper refuses to remove it, and wears it throughout the rest of his life. Like the majority of Hawthorne's stories, "The Minister's Black Veil" is an allegorical criticism of Puritan beliefs. Hawthorne may have been inspired by clergyman Joseph Moody, who accidentally killed his friend and, in response, wore a black veil until his own death. HarperPerennial Classics brings great works of

Station Eleven

This early work by William Wymark Jacobs was originally published in 1902 and we are now republishing it with a brand new introductory biography. Jacobs worked as a clerk in the civil service before turning to writing in his late twenties, publishing his first short story in 1895. Most of Jacobs' work appeared before the onset of World War I, and although the majority of his output was humorous in tone, he is best-remembered now for his macabre tales, particularly those contained in his 1902 collection *The Lady of the Barge*, such as 'The Monkey's Paw' and 'The Toll House'.

Crucible, The by Arthur Miller (MAXnotes)

This fast-paced action novel is set in a future where the world has been almost destroyed. Like the award-winning novel *Freak the Mighty*, this is Philbrick at his very best. It's the story of an epileptic teenager nicknamed Spaz, who begins the heroic fight to bring human intelligence back to the planet. In a world where most people are plugged into brain-drain entertainment systems, Spaz is the rare human being who can see life as it really is. When he meets an old man called Ryter, he begins to learn about Earth and its past. With Ryter as his companion, Spaz sets off an unlikely quest to save his dying sister -- and in the process, perhaps the world.

The Crucible

When Jack St. Bride arrives by chance in the sleepy New England town of Salem Falls, he decides to reinvent himself. Tall, blond, and handsome, Jack was once a beloved teacher and soccer coach at a girls' prep school—until a student's crush sparked a powder keg of accusation and robbed him of his reputation. Now, working for minimum wage washing dishes for Addie Peabody at the Do-Or-Diner, Jack buries his past, content to become the mysterious stranger who has appeared out of the blue. With ghosts of her own haunting her, Addie Peabody is as cautious around men as Jack St. Bride is around women. But as this unassuming stranger steps smoothly into the diner's daily routine, she finds him fitting just as comfortably inside her heart - and slowly, a gentle, healing love takes hold between them. Yet planting roots in Salem Falls may prove fateful for Jack. Amid the white-painted centuries-old churches, a quartet of bored, privileged teenage girls have formed a coven that is crossing the line between amusement and malicious intent. Quick to notice the attractive new employee at Addie's diner, the girls turn Jack's world upside down with a shattering allegation that causes history to repeat itself - and forces Jack to proclaim his innocence once again. Suddenly nothing in Salem Falls is as it seems; a safe haven turns dangerous, an innocent girl meets evil face-to-face, a dishwasher with a Ph.D. is revealed to be an ex-con. As Jack's hidden past catches up with him, the seams of this tiny town begin to tear, and the emerging truth becomes a slippery concept written in shades of gray.

Sinners in the Hands of an Angry God

The Pulitzer Prize-winning author of *Cleopatra*, the #1 national bestseller, unpacks the mystery of the Salem Witch Trials. It began in 1692, over an exceptionally raw Massachusetts winter, when a minister's daughter began to scream and convulse. It ended less than a year later, but not before 19 men and women had been hanged and an elderly man crushed to death. The panic spread quickly, involving the most educated men and prominent politicians in the colony. Neighbors accused neighbors, parents and children each other. Aside from suffrage, the Salem Witch Trials represent the only moment when women played the central role in American history. In curious ways, the trials would shape the future republic. As psychologically thrilling as it is historically seminal, *THE WITCHES* is Stacy Schiff's account of this fantastical story-the first great American mystery unveiled fully for the first time by one of our most

acclaimed historians.

The Crucible is a dramatic re-enactment of the Salem Witch Trials in Massachusetts in the late 1600's. Arthur Miller intended to use the Salem Witch Trials as an allegory about the anti-communist Red Scare and the congressional hearings of Sen. The Monkey's Paw

Though best known for The Red Badge of Courage, his classic novel of men at war, in his tragically brief life and career Stephen Crane produced a wealth of stories—among them "The Monster," "The Upturned Face," "The Open Boat," and the title story—that stand among the most acclaimed and enduring in the history of American fiction. This superb volume collects stories of unique power and variety in which impressionistic, hallucinatory, and realistic situations alike are brilliantly conveyed through the cold,

sometimes brutal irony of Crane's narrative voice.

The Crucible

The power of words has rarely been given a more compelling demonstration than in the Gettysburg Address. Lincoln was asked to memorialize the gruesome battle. Instead, he gave the whole nation "a new birth of freedom" in the space of a mere 272 words. His entire life and previous training, and his deep political experience went into this, his revolutionary masterpiece. By examining both the address and Lincoln in their historical moment and

cultural frame, Wills breathes new life into words we thought we knew, and reveals much about a president so mythologized but often misunderstood. Wills shows how Lincoln came to change the world and to effect an intellectual revolution, how his words had to and did complete the work of the guns, and how Lincoln wove a spell that has not yet been broken.

Canoeing the Mountains

This Student Edition of The Crucible is perfect for students of literature and drama and offers an unrivalled guide to Miller's classic play. It features an extensive introduction by Susan C. W. Abbotson which includes: a chronology of Miller's life and times; a summary of the plot and commentary on the characters, themes, language, context and production history of the play. Together with over twenty questions for further study, detailed notes on words and phrases from the text and the additional scene 2 of the second Act, this is the definitive edition of the play. In a small tight-knit community gossip and rumour spread like wildfire inflaming personal grievances until no-one is safe from accusation and vengeance. The Crucible is Miller's classic dramatisation of the witch-hunt and trials that besieged the Puritan community of Salem in 1692. Seen as a chilling parallel to the McCarthyism and repressive culture of fear that gripped America in the 1950s, the play's timeless relevance and appeal remains as strong as when the play opened on Broadway in 1953.

Reaching Beyond Boundaries

This Student Edition of *After the Fall* is perfect for students of literature and drama and offers an unrivalled and comprehensive guide to Miller's play. It features an extensive introduction by Brenda Murphy which includes a chronology of Miller's life and times, a summary of the plot and commentary on the characters, themes, language, context and production history of the play. Together with over twenty questions for further study and detailed notes on words and phrases from the text, this is the definitive edition of the play. *After the Fall* (1964) is embedded in historical events that were bound up with Arthur Miller's personal life. It is an intensely personal psychological study of its protagonist Quentin and a moral and philosophical commentary on the Holocaust, McCarthyism, and the career and death of Marilyn Monroe. The play marks the full realisation of Miller's modernist experimentation in trying to create a form that dramatises both human consciousness or subjectivity and its interrelationship with social and familial dynamics. A drama that takes place in the mind and thoughts of its protagonist, where memories are overshadowed by the Holocaust, the play is a moving study of human consciousness, morality and how we should live our lives once we have come to the realisation that we exist 'after the Fall'.

From 1795 through 1800, a series of revolts rocked Curaçao, a small but strategically located Dutch colony just off the South American continent. A combination of internal and external factors produced these uprisings, in which free and enslaved islanders

participated with various objectives. A major slave revolt in August 1795 was the opening salvo for these tumultuous five years. While this revolt is a well-known episode in Curaçaoan history, its wider Caribbean and Atlantic context is much less known. Also lacking are studies sketching a clear picture of the turbulent five years that followed. It is in these dark corners that this volume aims to shed light.

Echoes Down the Corridor

From the New York Times bestselling author of *Reviving Ophelia*, a guide to wisdom, authenticity, and bliss for women as they age. Women growing older contend with ageism, misogyny, and loss. Yet as Mary Pipher shows, most older women are deeply happy and filled with gratitude for the gifts of life. Their struggles help them grow into the authentic, empathetic, and wise people they have always wanted to be. In *Women Rowing North*, Pipher offers a timely examination of the cultural and developmental issues women face as they age. Drawing on her own experience as daughter, sister, mother, grandmother, caregiver, clinical psychologist, and cultural anthropologist, she explores ways women can cultivate resilient responses to the challenges they face. "If we can keep our wits about us, think clearly, and manage our emotions skillfully," Pipher writes, "we will experience a joyous time of our lives. If we have planned carefully and packed properly, if we have good maps and guides, the journey can be transcendent."
