The Gift of Christmas

Little Carol Anne Smith is the quintessential "Daddy's Girl," who not only looks up to, but idolizes her father; an author of the best-selling Skippy McCracken series of novels, about a wise-cracking detective. Carol Anne's father's book-agent, Martin Fendlestein sets up a 6-city, 3-week tour in December of 2024, the tour running right up to Christmas Eve, which forces him to rush home, but then a snowstorm in the middle of the country throws a monkey-wrench in those plans, so will Carol Anne's Daddy get home in time for Christmas?

Owl Be Home for Christmas

A wild little troll runs away from home because he doesn't want to do his chores. Rollo tries living with various woodland animals, but he finds out that there is no place like home, and returns to his family just in time for "the best Christmas ever." Among the animals who take him in are an owl family, a mother bear and two rambunctious cubs, some playful river otters, a hungry lynx and a friendly moose family. Jan Brett creates an irresistible, mischievous character that kids will recognize in themselves. Jan transports us to a glorious Scandinavian landscape

where a beautiful fall turns into a magnificent snowy winter. Her signature borders depict the troll family missing Rollo, and animals as appealing as those found in The Mitten. A warm, fun-loving Christmas picture book for families to share and love and laugh over together.

Coming Home for Christmas

As a writer, teacher, and speaker with a busy work and family life, Victoria Duerstock understands that all the tasks of the holiday season can make it easy to forget the true joy that Christmas can bring. In Heart & Home for Christmas, Duerstock brings her mission to inspire hope for God's purpose, and her 20 years of experience in the furniture and design industry together, connecting Scripture with design elements and easy decorating tips in a way that reflects the true spirit of Christmas. The devotions and holiday decorating tips will encourage spiritual growth and inspiration to have both a captivating heart and home at Christmas. Praise for Heart & Home: Design Basics for Your Soul and Living Space Seldom do I discover a book which ministers to mind, body and soul, but Victoria Duerstock's Heart & Home is just such a jewel! I was immediately drawn to the unique design elements through color photographs, and especially the carefully selected accompanying Scripture, meditation and prayer. All of these work together to address one small element of life on which I can meditate all day long (and even bring into my own home through her practical suggestions.) While I am neither an

interior designer nor DIY crafter, I am someone who embraced “hygge” long before I knew what the word meant—a beauty through coziness and care. You too? Good. My gift list for this special volume is already quite lengthy Lucinda Secrest McDowell, author Dwelling Places and Graces As I read Heart & Home, I was captivated not only by the beauty and elegance on every page and in every word, but more importantly I was inspired to see how spaces can transform lives. Creating a home is a sacred undertaking. Building a home or office that inspires, comforts, engages and transforms hearts leads to healthy individuals, families and communities. I was challenged to think about how our homes can be used to focus us on God; how every color, design and object can strengthen our soul. I hope that Victoria’s book will also inspire you and refresh your heart and home. Robert Wallstrom, CEO Vera Bradley

Christmas is a Hallmark Channel original movie for 2017. Praise for Coming Home for Christmas I fell in love with Coming Home For Christmas as soon as I was introduced to both Allie and the Marley family. It's very rare that I find myself loving an entire family, but the Marley's were just awesome. Not your typical rich family, they weren't particularly snobby or anything, they didn't just see Allie as the 'help' and I just immediately wanted to become a part of their family! I wanted to live in Ashford, in the beautiful sounding house, with wings! WINGS! Can you imagine living in a house that has wings? I really just loved this book so much. It's set in Virginia and it made me want to visit, it's so rare to find a book set in the USA that's not New York or Boston or LA. Jenny Hale is such a fabulous writer with such an eye for characters you'll fall in love with. I certainly fell in love with Robert. I can't wait for Jenny's second book, this was just super amazing and it kept me reading all day with barely a pause. Read it, it's the perfect Christmas story, heck it's perfect for any time of year. Coming Home For Christmas, remember that title and buy it now, you will not regret it! ChickLitReviewsandNews.com 'I loved this story, there wasn't one unlikable character, in fact I found myself loving the Marley's and their family dynamics. Kip is flirtatious and good looking, you can feel the attraction him and Allie have from their very first meeting. But for me the relationship between Allie and Robert had me enraptured, the changes the employee brings out in the employer is nothing short of a Christmas miracle. A festive debut to warm the heart whatever the season, which leaves you eagerly awaiting more from Jenny Hale!' The Love of a Good Book 'OMG, there are just so,

so many things I loved about this book. First, the characters! Guys, let me tell you, I've read so many books yet I can't actually recall reading a book with so many loveable characters... But what I loved the most is probably the fact this is not yet another romance story. Coming Home For Christmas is a mesmerizing story about what really matters in life - family. With Christmas coming soon, I think it's the PERFECT time to read it. Strongly recommended for all HEAs addicts:)' This Chick Reads
