New Flat Stanley

Filled with fear and excitement, three men hurriedly dug their way through a dark passage. They were in search of treasure inside a dead king's tomb deep beneath the desert sands. If successful, they would be rewarded with gold, jewels, precious oils, and other treasures. If discovered, their punishment would be a terrible death! Why did some ancient Egyptians risk their lives to steal from the dead? And what tricks did tomb and pyramid builders use to hide burial chambers from grave robbers?

Summer of the Gypsy Moths

From Clementine author Sara Pennypacker, this is a poignant middle-grade novel about two foster children who must find a way to work together in order to survive. Eleven-year-old Stella misses her (unreliable) mom, but she loves it at great-aunt Louise's house. Louise lives on Cape Cod, where Stella hopes her mom will someday come and settle down. The only problem? Angel, the foster kid Louise has taken in. The two girls live together but there's no way they'll ever be friends. Then Louise suddenly passes away one morning—and Stella and Angel decide not to tell anyone. Now they have to depend on each other for survival. Now they are forced to trust each other with the biggest secret ever. With great empathy and humor, Sara Pennypacker tells the story of two very different girls who unexpectedly become each other's true family.

Disappearing act One morning, after a terrible storm, Stanley Lambchop is nowhere to be found. His family can hear him, and there is a lump under his covers, but no one can find him! Just where is that boy? Then they discover the truth -- Stanley is invisible! At first, Stanley is very busy. There's so much for an invisible boy to do. But will he stay that way forever?

Stealing History

Mummies, grave-robbing ghouls, hopping vampires, and evil monks beset a young archaeologist, in this fast-paced Indiana Jones-style adventure Saqqara, Egypt, 1888, and in the booby-trapped tomb of an ancient sorcerer, Rom, a young Egyptologist, makes the discovery of a lifetime: five coffins and an eerie, oversized sarcophagus. But the expedition seems cursed, for after unearthing the mummies, all but Rom die horribly. He faithfully returns to America with his disturbing cargo, continuing by train to Los Angeles, home of his reclusive sponsor. When the train is hijacked by murderous banditos in the Arizona desert, who steal the mummies and flee over the border, Rom - with his benefactor's rebellious daughter, an orphaned Chinese busboy, and a cold-blooded gunslinger - must ride into Mexico to bring the malevolent mummies back. If only mummies were their biggest problem... File Under: Fantasy

The Sun Is Kind of a Big Deal

Roger Atwood knows more about the market for ancient objects than almost anyone. He knows where

priceless antiquities are buried, who is digging them up, and who is fencing and buying them. In this fascinating book, Atwood takes readers on a journey through Iraq, Peru, Hong Kong, and across America, showing how the worldwide antiquities trade is destroying what's left of the ancient sites before archaeologists can reach them, and thus erasing their historical significance. And it is getting worse. The discovery of the legendary Royal Tombs of Sipan in Peru started an epidemic. Grave robbers scouring the countryside for tombs--and finding them. Atwood recounts the incredible story of the biggest piece of gold ever found in the Americas, a 2,000-year-old, three-pound masterpiece that cost one looter his life, sent two smugglers to jail, and wrecked lives from Panama to Pennsylvania. Packed with true stories, this book not only reveals what has been found, but at what cost to both human life and history.

Egyptian Tales: The Gold in the Grave

From the bestselling author of Horrible Histories Tutankhamen has been buried in his rocky tomb. But there is a plot to rob the grave of its vast wealth as

soon as possible after the funeral. A motley gang of villains have all the skills they need to undertake the crime - the key member of the team is young Paneb, who is small and lithe and the only one who can slip through the tunnel and into the funeral chamber. It's a risky venture, because, if he's caught, the punishment is slow torture and death. Terry Deary's *Egyptian Tales* explore the world of Ancient Egypt through the eyes of children who could have lived at the time. These stories feature real people and take place in some of the most recognisable Egyptian settings. This new edition features notes for the reader to help extend learning and exploration of the historical period.

Invisible Stanley

Online Library The Great Egyptian Grave Robbery Flat Stanleys Worldwide Adventures 2 Sara Pennypacker

A true crime thriller -- the first book for teens to tell the nearly unknown tale of the brazen attempt to steal Abraham Lincoln's body! The action begins in October of 1875, as Secret Service agents raid the Fulton, Illinois, workshop of master counterfeiter Ben Boyd. Soon after Boyd is hauled off to prison, members of his counterfeiting ring gather in the back room of a smoky Chicago saloon to discuss how to spring their ringleader. Their plan: grab Lincoln's body from its Springfield tomb, stash it in the sand dunes near Lake Michigan, and demand, as a ransom, the release of Ben Boyd --and \$200,000 in cash. From here, the action alternates between the conspirators, the Secret Service agents on their trail, and the undercover agent moving back and forth between the two groups. Along the way readers get glimpses into the inner workings of counterfeiting, grave robbing, detective work, and the early days of the Secret Service. The plot moves toward a wild climax as robbers and lawmen converge at Lincoln's tomb on election night: November 7, 1876.

Living with the Dead

The royal necropolis of New Kingdom Egypt, known as the Valley of the Kings (KV), is one of the most important--and celebrated--archaeological sites in the world. Located on the west bank of the Nile river, about three miles west of modern Luxor, the valley is home to more than sixty tombs, all dating to the second millennium BCE. The most famous of these is the tomb of Tutankhamun, first discovered by Howard Carter in 1922. Other famous pharaoh's interred here

include Hatshepsut, the only queen found in the valley, and Ramesses II, ancient Egypt's greatest ruler. Much has transpired in the study and exploration of the Valley of the Kings over the last few years. Several major discoveries have been made, notably the many-chambered KV5 (tomb of the sons of Ramesses II) and KV 63, a previously unknown tomb found in the heart of the valley. Many areas of the royal valley have been explored for the first time using new technologies, revealing ancient huts, shrines, and stelae. New studies of the DNA, filiation, cranio-facial reconstructions, and other aspects of the royal mummies have produced important and sometimes controversial results. The Oxford Handbook of the Valley of the Kings provides an up-to-date and thorough reference designed to fill a very real gap in the literature of Egyptology. It will be an invaluable resource for scholars, teachers, and researchers with an interest in this key area of Egyptian archaeology. First, introductory chapters locate the Valley of the Kings in space and time. Subsequent chapters offer focused examinations of individual tombs: their construction, content, development, and significance. Finally, the book discusses the current status of ongoing issues of preservation and archaeology, such as conservation, tourism, and site management. In addition to recent work mentioned above, aerial imaging, remote sensing, studies of the tombs' architectural and decorative symbolism, problems of conservation management, and studies of KV-related temples are just some of the aspects not covered in any other work on the Valley of the Kings. This volume promises to become the primary scholarly reference work on

Flat Stanley's Worldwide Adventures #2: The Great Egyptian Grave Robbery

Stanley on parade! Stanley has been chosen to receive a medal of honor in the nation's capital! But once in Washington, DC, Stanley is swarmed in a crowd and separated from his family. Now he's on the run in a city filled with monuments—and with shadowy figures on his trail. What's a flat boy to do now?

Stanley in Space

Flat Stanley receives a letter from Sir Abu Shenti Hawara that invites him to come to Egypt to assist on an important archaeological dig. Stanley travels via airmail in an envelope provided by Hawara. Once there he helps thwart a gang of thugs intent on thieving treasures from an ancient tomb. Illustrations.

Where Is My Continent?

Ever since Stanley was flattened by a bulletin board, there are places he can get to that no one else can. So when Stanley receives a letter from an archaeologist, he travels by airmail to Egypt to help find an ancient treasure deep in the heart of a great pyramid. But what if even the flattest boy on earth can't wriggle out of this dark tomb - and the terrible mess he finds himself in?

The African Safari Discovery

Meet Stanley Lambchop. He's an ordinary boy with an extraordinary problem. He's four feet tall, about a foot wide . . . oh, and half an inch thick. At first being flat is fine. It's fun going in and out of rooms simply by sliding under the door. And it's exciting being mailed to your friends in California for a visit. But it's not always easy being different, and soon Stanley wishes he could be just like everybody else. Will he ever be normal again?

Art of Ancient Egypt

Just in time to celebrate the 50th anniversary of Flat Stanley, our favorite flat hero, Stanley Lambchop, heads to Texas, where a showdown at the Alamo will make this the most exciting of all his Worldwide Adventures! And for parents and teachers, each Flat Stanley book is aligned to the Common Core State Standards, like multicultural adventure, plot and character development story elements, and compare and contrast. In this easy-to-read and incredibly hilarious chapter book, Stanley and his friends head to the big state of Texas to visit their pal Eduardo. From rocking out onstage at a music festival, to riding a horse, to parasailing in the desert, Stanley is having the time of his life! But when a mysterious truck starts following the friends,

tensions run high. Who could it be? And what do they want? A suspenseful and surprising showdown at Texas's historic Alamo will reveal all . . . including Stanley's courageous inner cowboy. Supports the Common Core State Standards

Egyptology

An exciting archeological exploration of ancient Egypt that examines the potential for discovering the remaining “lost” tombs of the pharaohs. Tombs, mummies, and funerary items make up a significant portion of the archeological remains that survive ancient Egypt and have come to define the popular perception of Egyptology. Despite the many sensational discoveries in the last century, such as the tomb of Tutankhamun, the tombs of some of the most famous individuals in the ancient world—Imhotep, Nefertiti, Alexander the Great, and Cleopatra—have not yet been found. Archeologist Chris Naunton examines the famous pharaohs, their achievements, the bling they might have been buried with, the circumstances in which they were buried, and why those circumstances may have prevented archeologists from finding these tombs. In *Searching for the Lost Tombs of Egypt*, Naunton sheds light on the lives of these ancient Egyptians and makes an exciting case for the potential discovery of these lost tombs.
