The History of Henry Esmond

'What spectacle is more august than that of a great king in exile? Who is more worthy of respect than a brave man in misfortune?' When "Henry Esmond" appeared in 1852, noted writers and critics of the time acclaimed it as the best historical novel ever written. Set in the reign of Queen Anne, the story follows the troubled progress of a gentleman and an officer in Marlborough's army, as he painfully wrestles with an emotional allegiance to the old Tory-Catholic England until, disillusioned, he comes to terms of a kind with the Whiggish-Protestant future. This change also entails a very uncomfortable switch in his affections. The love story of Henry Esmond is charged with sombre, unconscious emotions, yet is skilfully embedded into historical events which are convincing but never too prominent.

in this imaginative retelling of the events that led up to and followed the restoration of the British monarchy in the late seventeenth century. Thackeray's sweeping epic encompasses a huge cast of fascinating historical characters, but focuses on the perspective of Henry Esmond, a military officer serving in Queen Anne's personal militia.

The History of Henry Esmond Illustrated

The History of Henry Esmond

He story of Henry Esmond, a colonel in the service of Queen Anne of England, begins in his youth, as the illegitimate and orphaned cousin of the Viscount and Lady of Castlewood. The Jacobite family gradually embraces Henry as one of their own. When Henry comes of age he joins the campaign to restore James Stuart to the throne, but is eventually forced to accept the Protestant future of England.

Denis Duval

This volume is a facsimile reprint of the Household Edition and features illustrations by George Du Maurier and the author.

Vanity Fair

Orphaned in the England of the later Stuarts, Henry Esmond is raised by his aristocratic, Jacobite relatives the Castlewoods. As a young man he falls in love with both Lady Castlewood and Beatrix, her beautiful, headstrong daughter, and is inspired to join the ultimately unsuccessful campaign to reinstate James Stuart to the throne. Thackeray valued Henry Esmond more than any of his other novels and it displays many of his own memories and emotions.

The History of Henry Esmond Annotated

The History of Henry Esmond, Esq., Written by Himself

The History of Henry Esmond is a historical novel by William Makepeace Thackeray, originally published in 1852. The book tells the story of the early life of Henry Esmond, a colonel in the service of Queen Anne of England. A typical example of Victorian historical novels, Thackeray's work of historical fiction tells its tale against the backdrop of late 17th- and early 18th-century England - specifically, major events surrounding the English Restoration - and utilises characters both real (but dramatised) and imagined. It weaves its central character into a number of events such as the Glorious Revolution, the War of the Spanish Succession, the Hamilton-Mohun Duel and the Hanoverian Succession.
