The Trouble with Highlanders

Bestselling author Sherman Alexie tells the story of Junior, a budding cartoonist growing up on the Spokane Indian Reservation. Determined to take his future into his own hands, Junior leaves his troubled school on the rez to attend an all-white farm town high school where the only other Indian is the school mascot. Heartbreaking, funny, and beautifully written, *The Absolutely True Diary of a Part-Time Indian*, which is based on the author's own experiences, coupled with poignant drawings by Ellen Forney that reflect the character's art, chronicles the contemporary adolescence of one Native American boy as he attempts to break away from the life he was destined to live. With a forward by Markus Zusak, interviews with Sherman Alexie and Ellen Forney, and four-color interior art throughout, this edition is perfect for fans and collectors alike.

With One More Look at You

New York Times bestseller: A "highly superior historical novel" about the bond that grows between two men in ancient Athens (*Saturday Review*). Alexias is a young aristocrat living during the end of Athens's Golden Age. Prized for his beauty and athletic prowess, Alexias studies under Sokrates with his closest friend, Lysis. Together, the young men come of age in an Athens on the verge of great upheaval. They attend the Olympics, partake in symposia, fight on the battlefields of the Peloponnesian War, and fall in love. The first of Mary Renault's celebrated historical novels of ancient Greece, *The Last of the Wine* follows Alexias and Lysis into adulthood, when Athens is defeated by Sparta, the Thirty Tyrants take hold of the city, and the lives of both men are changed forever. Through their friendship, Renault opens a vista onto ancient Greek life, uncovering its vibrancy, culture, and political strife, and offers an unforgettable story of love, honor, loyalty, and the remarkable bond between two men. This ebook features an illustrated biography of Mary Renault including rare images of the author. "Mary Renault is a shining light to both historical novelists and their readers. She does not pretend the past is like the present, or that the people of ancient Greece were just like us. She shows us their strangeness; discerning, sure-footed, challenging our values, piquing our curiosity, she leads us through an alien landscape that moves and delights us."

If I Loved You

Love is the last line of defense. Jolene Benate has spent six years keeping a vow to herself to never again be that weak woman weeping at her young husband's graveside. Now she's a deputy marshal on the elite warrant squad, as physically and mentally tough as they come. But moving on isn't as easy as it looks. Especially when the husband she thought was dead suddenly reappears. And, even in the face of his betrayal, she still wants him. Paul Benate's gifted mind was groomed from a young age to serve the military and its top-secret projects. His one youthful act of rebellion was to marry Jolene, only to discover a terrorist could use her to force him to give up his classified secrets. For her own safety, he had to let her go. But the safety he thought was assured by his "death" was only an illusion. Secrets have a way of surfacing, and once again Jolene is the perfect target. There's only one thing left to do: reclaim the woman that he has always loved. Even if she's mad as hell at him. Warning: Hot and flammable. Sometimes they just don't make it to the bedroom.

The Turtle Mound Murder

When the woman with whom he shared an unforgettable night is kidnapped by a rival clan leader intent on forcing her into marriage, Norris Sutherland rescues heiress Daphne MacLeod, only to face opposition to his plan to marry her.

Wicked Highland Ways

In the ancient town of Ephesus, Mary lives alone, years after her son's crucifixion. She has no interest in collaborating with the authors of the Gospel -- her keepers, who provide her with food and shelter and visit her regularly. She does not agree that her son is the Son of God; nor that his death was "worth it;" nor that the "group of misfits he gathered around him, men who could not look a woman in the eye," were holy disciples. Mary judges herself ruthlessly (she did not stay at the

foot of the Cross until her son died -- she fled, to save herself), and is equally harsh on her judgement of others. This woman who we know from centuries of paintings and scripture as the docile, loving, silent, long-suffering, obedient, worshipful mother of Christ becomes a tragic heroine with the relentless eloquence of Electra or Medea or Antigone. Tóibín's tour de force of imagination and language is a portrait so vivid and convincing that our image of Mary will be forever transformed.

Just because she's a woman, doesn't mean she lacks courage. To Conquer a Highlander

New York Times Bestseller: This retelling of the Greek myth of Theseus, king of Athens, is "one of the truly fine historical novels of modern times" (The New York Times). In myth, Theseus was the slayer of the child-devouring Minotaur in Crete. What the founder-hero might have been in real life is another question, brilliantly explored in *The King Must Die*. Drawing on modern scholarship and archaeological findings at Knossos, Mary Renault's *Theseus* is an utterly lifelike figure—a king of immense charisma, whose boundless strivings flow from strength and weakness—but also one steered by implacable prophecy. The story follows Theseus's adventures from Troizen to Eleusis, where the death in the book's title is to take place, and from Athens to Crete, where he learns to jump bulls and is named king of the victims. Richly imbued with the spirit of its time, this is a page-turner as well as a daring act of imagination. Renault's story of Theseus continues with the sequel *The Bull from the Sea*. This ebook features an illustrated biography of Mary Renault including rare images of the author.

The Church sees Mary as the "earthside of the Incarnation." In an attempt to understand the critical role she played in this great event, this book looks at her life as a young girl who said "yes" to an angel and brought God into the world. It begins with a discussion of her obedience as the pivotal point in our salvation. It continues with an examination of five aspects of her maternity - giving birth, nurturing, relinquishing, sorrow and joy. Our own lives parallel these stages in our conversion (giving birth), spiritual growth (nurturing), surrender to God (relinquishing), bearing our cross (sorrow) and the new life through the Resurrection (joy). Thus Mary can become our guide as we make our journey toward Christ. Further, by a focus on the humanity of Mary, we not only come closer to the mystery of the Incarnation but begin to grasp how the Church declared May to be the "Mother of God. This reverence receives strong emphasis in Orthodox Christianity. Questions for study and reflection follow the end of each chapter. Though relevant throughout the year, this book is especially timely for Advent reading. Also, it would be especially appropriate for an individual or group retreat.

The Absolutely True Diary of a Part-Time Indian

NEW YORK TIMES BESTSELLER Nominated for the NAACP Image Award for Outstanding Literary Work Named a Best Book of the Year by The Root Chosen by Emma Straub as a Best New Celebrity Memoir "A book of essays as raw and honest as anyone has ever produced." — Lena Dunham, Lenny Letter In the spirit of Amy Poehler's Yes Please, Lena Dunham's Not That Kind of Girl, and Roxane Gay's Bad Feminist, a powerful collection of essays about gender, sexuality, race, beauty, Hollywood, and what it means to be a modern woman. One month before the release of the highly anticipated film The Birth of a Nation, actress Gabrielle Union shook the world with a vulnerable and impassioned editorial in which she urged our society to have compassion for victims of sexual violence. In the wake of rape allegations made against director and actor Nate Parker, Union—a forty-four-year-old actress who launched her career with roles in iconic '90s movies—instantly became the insightful, outspoken actress that Hollywood has been desperately awaiting. With honesty and heartbreaking wisdom, she revealed her own trauma as a victim of sexual assault: "It is for you that I am speaking. This is real. We are real." In this moving collection of thought provoking essays infused with her unique wisdom and deep humor, Union uses that same fearlessness to tell astonishingly personal and true stories about power, color, gender, feminism, and fame. Union tackles a range of experiences, including bullying, beauty standards, and competition between women in Hollywood, growing up in white California suburbia and then spending summers with her black relatives in Nebraska, coping with

crushes, puberty, and the divorce of her parents. Genuine and perceptive, Union bravely lays herself bare, uncovering a complex and courageous life of self-doubt and self-discovery with incredible poise and brutal honesty. Throughout, she compels us to be ethical and empathetic, and reminds us of the importance of confidence, self-awareness, and the power of sharing truth, laughter, and support.
