The Rogue Hugo Rothschild, ninth earl of Malfrey, is everything a girl could want in a future husband: he is handsome and worldly, if not rich. Lady Victoria has everything just as she'd like it. That is, if raffish young ship captain Jacob Carstairs would leave well enough alone. Jacob's meddling is nothing short of exasperating, and Victoria is mystified by his persistence. My name is Elizabeth Anne Hawksmith, and my age is three hundred and eighty-four years. Each new settlement asks for a new journal, and so this Book of Shadows begins In the spring of 1628, the Witchfinder of Wessex finds himself a true Witch. As Bess Hawksmith watches her mother swing from the Hanging Tree she knows that only one man can save her from the same fate at the hands of the panicked mob: the Warlock Gideon Masters, and his Book of Shadows. Secluded at his cottage in the woods, Gideon instructs Bess in the Craft, awakening formidable powers she didn't know she had and making her immortal. She couldn't have foreseen that even now, centuries later, he would be hunting her across time, determined to claim payment for saving her life. In present-day England, Elizabeth has built a quiet life for herself, tending her garden and selling herbs and oils at the local farmers' market. But her solitude abruptly ends when a teenage girl called Tegan starts hanging around. Against her better judgment, Elizabeth begins teaching Tegan the ways of the Hedge Witch, in the process awakening memories--and demons--long thought forgotten. Part historical romance, part modern fantasy, Paula Brackston's New York Times bestseller, *The Witch's Daughter*, is a fresh, compelling take on the magical, yet dangerous world of Witches. Readers will long remember the fiercely independent heroine who survives plagues, wars, and the heartbreak that comes with immortality to remain true to herself, and protect the protégé she comes to love.

Ivy is used to being overlooked. The youngest in a family of thieves, scoundrels, and roustabouts, the girl with the flame-colored hair and odd-colored eyes is declared useless by her father from the day she is born. But that's only if you look at her but don't see. For Ivy has a quality that makes people take notice. It's more than beauty -- and it draws people toward her. Which makes her the perfect subject for an aspiring painter named Oscar Aretino Frosdick, a member of the pre-Raphaelite school of artists. Oscar is determined to make his mark on the art world, with Ivy as his model and muse. But behind Ivy's angelic looks lurk dark secrets and a troubled past -- a past that has given her an unfortunate taste for laudanum. And when treachery and jealousy surface in the Eden that is the artist's garden, Ivy must learn to be more than a pretty face if she is to survive. Julie Hearn, author of *The Minister's Daughter* and *The Sign of the Raven*, has created a memorable tale of nineteenth-century England with a character destined to take her place alongside Dickens's Pip and Oliver Twist.
