THE LEGEND OF THE HIGHLAND GUARD CONTINUES. . . . Handpicked by Robert the Bruce to help him in his quest to free Scotland from English rule, the elite warriors of the Highland Guard face their darkest days. When Bruce is forced to flee, his bid for freedom rests on the shoulders of one extraordinary warrior. Erik MacSorley is a brilliant seafarer who has never encountered a wind he could not harness or a woman he could not win—until he drags a wet, half-naked “nursemaid” out of the waters off the Irish coast. Ellie’s ordinary appearance belies the truth: She is in fact Lady Elyne de Burgh, the spirited daughter of the most powerful noble in Ireland. Worse, this irresistible woman is determined to prove herself immune to Erik’s charms—a challenge he cannot resist. Her captor may look every inch a rugged warrior, but Ellie vows that it will take more than a wickedly suggestive caress to impress her. Yet Erik will sweep away Ellie’s resistance with a desire that resonates deep within her heart. Still, he is a man driven by loyalty, and she is a woman with secrets that could jeopardize Bruce’s chance to reclaim his throne. As the battle for king and country sounds across the shores, will Ellie’s love be enough to finally tame the legend known as the Hawk? OPRAH’S BOOK CLUB PICK #1 NEW YORK TIMES BESTSELLER ONE OF THE NEW YORK TIMES TOP TEN BOOKS OF THE YEAR ONE OF THE WALL STREET JOURNAL TOP TEN BOOKS OF THE YEAR PEOPLE’S #1 BEST BOOK OF THE YEAR Named a BEST BOOK OF THE YEAR by The New York Times, The Washington Post, NPR, TIME, Slate, Smithsonian, and Amazon The heartrending story of a midcentury American family with twelve children, six of them diagnosed with schizophrenia, that became science’s great hope in the quest to understand the disease. Don and Mimi Galvin seemed to be living the American dream. After World War II, Don’s work with the Air Force brought them to Colorado, where their twelve children perfectly spanned the baby boom: the oldest born in 1945, the youngest in 1965. In those years, there was an established script for a family like the Galvins--aspiration, hard work, upward mobility, domestic harmony--and they worked hard to play their parts. But behind the scenes was a different story: psychological breakdown, sudden shocking violence, hidden abuse. By the mid-1970s, six of the ten Galvin boys, one after another, were diagnosed as schizophrenic. How could all this happen to one family? What took place inside the house on Hidden Valley Road was so extraordinary that the Galvins became one of the first families to be studied by the National Institute of Mental Health. Their story offers a shadow history of the science of schizophrenia, from the era of institutionalization, lobotomy, and the schizophrenogenic mother to the search for genetic markers for the disease, always amid profound disagreements about the nature of the illness itself. And unbeknownst to the Galvins, samples of their DNA informed decades of genetic research that continues today, offering paths to treatment, prediction, and even

eradication of the disease for future generations. With clarity and compassion, bestselling and award-winning author Robert Kolker uncovers one family's unforgettable legacy of suffering, love, and hope.

Ruth's Journey

"Exquisitely imagined, deeply researched . . . brings to the foreground the most enigmatic and fascinating figure in *Gone with the Wind*. This is a brave work of literary empathy by a writer at the height of his powers, who demonstrates a magisterial understanding of the period, its clashing cultures, and its heartbreaking crises." —Geraldine Brooks, author of *March* The only authorized prequel to

Margaret Mitchell's *Gone with the Wind*—the unforgettable story of Mammy. On a Caribbean island consumed by the flames of revolution, an infant girl falls under the care of two French émigrés, Henri and Solange Fournier, who take the beautiful child they call Ruth to the bustling American city of Savannah. What follows is the sweeping tale of Ruth's life as shaped first by her strong-willed mistress, and then by Solange's daughter Ellen and Gerald O'Hara, the rough Irishman Ellen chooses to marry; the Butler family of Charleston and their unexpected connection to Mammy Ruth; and finally Scarlett O'Hara—the irrepressible Southern belle Mammy raises from birth. As we witness the lives of three generations of women, gifted storyteller Donald McCaig reveals a nuanced portrait of Mammy, at once a proud woman and a captive, a strict disciplinarian who has never experienced freedom herself. Through it all, Mammy endures, a rock in the river of time. Set against the backdrop of the South from the 1820s until the dawn of the Civil War, here is a remarkable story of fortitude, heartbreak, and indomitable will—and a tale that will forever illuminate your reading of Margaret Mitchell's *Gone with the Wind*.

The Crusader's Bride

The St. Mihiel salient, created during the initial German invasion in 1914, had withstood multiple French efforts to regain the territory. Yet even though the Germans had established strong defensive positions around St. Mihiel and its neighboring villages and towns, the salient was highly vulnerable to attack and was an optimal target for a potential American operation. Until this point in the war, members of the American Expeditionary Forces had not fought in a formation larger than a corps, and then only under French or British leadership. Now, as part of the American First Army under General John J. Pershing, they prepared to launch an offensive that would demonstrate to the Allies and the Germans alike that the Americans were capable of operating as an independent command. The AEF's successful efforts in the St. Mihiel Offensive, and the hard-won operational and tactical lessons that it learned during the battle, helped set the stage for the grand Allied offensive that would seize the initiative on the Western Front and blaze a path toward ultimate victory in the war.

gardeners, and growers, as well as the hidden landscapes of Napa Valley, that have influenced and inspired Kostow's unparalleled cuisine. A philosophy major with no formal culinary training, Christopher Kostow is not your typical Napa Valley chef. While there are many popular restaurants in Napa and cookbooks about its chefs, restaurants, and cooking styles, there is no chef who is more deeply rooted in and affected by the place in which he works. Beyond the Vineyard will follow Kostow's evolution from a line cook in a seaside town to a three-Michelin-starred chef at Meadowood, a Napa Valley mainstay that the Wall Street Journal recently labeled a "world class culinary splurge" and "temple of modern American cuisine."
