He definitely wasn't supposed to get that email Subject: My Boss. Have I already told you that I hate my boss today? Sexy as hell or not, this pompous, arrogant, ASSHOLE asked me to pick up his dry cleaning the second I walked through the door. Then he told me that I needed to take his Jaguar to a car wash that was ten miles outside of the city, but only after I needed to stand in a never-ending line to buy some type of limited, hundred-dollar watch. I honestly can't wait to see the look on his face two months from now when I tell him that I'm quitting his company and that he can kiss my ass. KISS. MY. ASS. All those former fantasies about him kissing me with his "mouth of perfection" or bending me over my desk and filling me with his cock are long over. OVER. Your bestie, Mya PS--Please tell me your day is going better than mine Subject: Re: My Boss. No, you haven't already told me that you hate your boss today, but seeing as though you've sent me this email

directly, I know now Yes, I did ask you to pick up my dry cleaning the second you arrived to work to day. (Where is it?) And I did tell you to take my Jaguar to the car wash and pick up my thousand-dollar watch. (Thank you for taking five hours to do something that could be accomplished in two.) You don't have to wait two months from now to see the look on my face when you tell me you're quitting. I'm standing outside your office at this very moment. ( Open the door. ) No comment on your "fantasies," although I highly doubt they're "long over." Your boss, Michael PS--Yes. My day is definitely going far better than yours

## **The Redemption Duet**

I have everything I want. Success. Wealth. Women...and make that plenty of those. As a filthy-rich CEO, I would say I'm pretty much close to perfection. Except for that one weakness: I'm cocky as hell, and an irresistible magnet for women. So when one tiny mistake lands me in hot waters with the investors, I have one hell of a choice to make: Restore my reputation... Or risk losing my company. I'm a man of my word and failure is not an option. Not now. Not ever. I fully intend to uphold my responsibilities. Sharing an apartment should be easy, right? And it's only for six weeks. That's what I thought before I found out that my new roommate is female. And wow. Vicky Sullivan is unlike any woman I've ever met. She's hot as sin, and crazy. Definitely not my kind of crazy, but too hot to pass up. There's something about her that makes me rage with want. I don't like her, but obviously my dick does. And what he wants, he gets. Six weeks... Living together shouldn't be too hard... Until my best friend challenges me to a bet... I make it my mission to make her mine. There's only one problem. I have to break...Every. Single. Rule. And did I mention she's completely off-limits? It's too late to say no. **COUNTING ON YOU** is a standalone rom-com written from dual POV by New York Times bestselling author J.C. Reed and USA Today bestselling author Jackie Steele.
