townspeople's amusement, or chopping off the appendages of those who cross him. The Governor was voted "Villain of the Year" by Wizard magazine the year he debuted, and his story arc was the most controversial in the history of the Walking Dead comic book series. For Seattle detective Joanne Walker, spring is about new beginnings. She's mastered her shamanic abilities (mostly), survived a cannibalistic serial killer (barely) and now she's facing the biggest challenge of her career—attending a dance concert with her sexy boss, Captain Michael Morrison. But when the performance—billed as transformative—actually changes her into a coyote, she and Morrison have bigger things to deal with. And there's more. Homeless people are disappearing, a mystical murder puts Joanne way out of her jurisdiction and with the full moon coming on, it's looking like the killer is a creature that can't possibly exist. But Jo could probably handle all of that, if one ordinary homicide hadn't pushed her to the very edge....

My Secret

The third book in Robert Kirkman's New York Times bestselling series: *The Walking Dead: The Fall of the Governor – Part One!* The *The Walking Dead* original novel series, set in the universe of Robert Kirkman's iconic comic book, continues with *The Fall of the Governor – Part One*. From co-authors Kirkman, creator of the Eisner Award-winning comic as well as executive producer of AMC's blockbuster TV series, and Jay Bonansinga, Stoker Award-finalist and internationally acclaimed author, comes the gripping third novel in this richly woven, page-turning literary saga, which began with *The Walking Dead: Rise of the Governor*. In *Rise of the Governor*, uber-villain Philip Blake journeyed from his humble beginnings directly into the dark heart of the zombie apocalypse, and became the self-proclaimed leader of a small town called Woodbury. In *The Road to Woodbury*, an innocent traveler named Lilly Caul wound up in the terrifying thrall of Phillip Blake's twisted, violent dictatorship within Woodbury's ever tightening barricades. And now, in *The Fall of the Governor – Part One*, the Governor's descent into madness finally erupts in a tour de force of action and horror. Beloved characters from the comic book, including Rick, Michonne and Glenn, finally make their entrance onto this nightmarish stage, and fans of *The Walking Dead* will see these characters in a whole new light. Simmering grudges boil over into unthinkable confrontations, battle lines are drawn, and unexpected twists seal the fates of the innocent and guilty alike.

The Walking Dead Omnibus

Written by Jay Bonansinga, based on the original series created by Robert Kirkman, *The Walking Dead: Descent* follows the events of *The Fall of the Governor*, and Lilly Caul's struggles to rebuild Woodbury after the Governor's shocking demise. Out of the ashes of its dark past, Woodbury, Georgia, becomes an oasis of safety amidst the plague of the walking dead - a town reborn in the wake of its former tyrannical leader, Philip Blake, aka The Governor. Blake's legacy of madness haunts every nook and cranny of this little walled community, but Lilly Caul and a small ragtag band of survivors are determined to overcome their traumatic past despite the fact that a super-herd is closing in on them. This vast stampede of zombies, driven by inexorable hunger and aimed directly at Woodbury, becomes their first true test. But Lilly and company refuse to succumb, and in a stunning counteroffensive, the beleaguered townspeople save themselves by joining forces with a mysterious religious sect fresh from the wilderness. Led by an enigmatic preacher named Jeremiah, this rogue church group seems tailor made for Woodbury and Lilly's dream of a democratic,

family-friendly future. The two factions meld into one, the town prospers, and everything seems hopeful for the first time since the plague broke out. But things - especially in the world of the walking dead - are often not what they seem. Jeremiah and his followers harbor a dark secret, the evidence of which very gradually begins to unravel. Along with a popular TV show also based on Kirkman's AMC comic books, The Walking Dead franchise is just getting better and better with Bonansinga's newest novel. In a stunning and horrifying finale, the world for Lilly and her close friends is turned upside down, and it is solely up to Lilly Caul to cleanse the town once and for all of its poisonous fate. These novels continue to be a great companion for fans of the television series and graphic novels!

It's a place where your life is explained to you by five people, some of whom you knew, others who may have been strangers. One by one, from childhood to soldier to old age, Eddie's five people revisit their connections to him on earth, illuminating the mysteries of his "meaningless" life, and revealing the haunting secret behind the eternal question: "Why was I here?"

That's cool, because I'm just a regular girl. One who's already head over heels for him and he doesn't even realise it. There's something eating away at him, a mystery I'm determined to solve as well as resolve, if only he'll give me half a chance. And if I stop being so damn nervous every time he's around. John: Some people are made for love and happiness. Not me. It was a let-down when she left, even if it wasn't entirely out of the blue. Unexpected or not, it still hurts like hell.

It spins the tale of the fierce evangelical Baptist, Nathan Price, who takes his wife and four daughters on a missionary journey into the heart of darkness of the Belgian Congo in 1959. They carry with them to Africa all they believe they will need from home, but soon find that all of it - from garden seeds to the King James Bible - is calamitously transformed on African soil.
