Taking Care of Terrific

Award-winning author Tom Angleberger flexes his comic muscle in this hairy adventure story with twists at every turn. Regular kid Lenny Flem Jr. is the only one standing between his evil-genius best friend—Casper, a master of disguise and hypnosis—and world domination. It all begins when Casper spends money from his granny on a spectacularly convincing fake mustache, the Heidelberg Handlebar #7. With it he's able rob banks, amass a vast fortune, and run for president. Is

Lenny the only one who can see through his disguise? And will he be able to stop Casper from taking over the world? Praise for Fake Mustache "There's no twist too goofy or absurd as Angleberger pulls out all the stops for this unabashedly silly story."—Publishers Weekly "Angleberger's foot-on-the-floor zaniness helps pull it off, fueled by a steady stream of gags and utter ridiculousness that make Saturday-morning cartoons seem reasonable in comparison. Pure, unfiltered hilarity." —Booklist "The 2012 campaign season just got a little hairier. Kids will delight in the various ways in which Casper exploits his power over grownups." —The Bulletin of the Center for Children's Books "Appropriately goofy." —The Horn Book "Angleberger severs all ties with sanity in his latest farce for preteens with hilarious results. There's plenty of action and goofiness. Fans of Angleberger's previous efforts won't be disappointed. Total deadpan lunacy." —Kirkus Reviews "This is a cute, although improbable, story about two best friends, Lenny and Casper, who live in the small town of Hairsprinkle.. Jodie brings many positive traits of a strong, female hero." —Library Media Connection

Reawakened

In this fascinating, moving autobiography, Lois Lowry explores her rich history through personal photographs, memories, and recollections of her childhood. Lowry's writing often transports readers into other worlds. Now, we have the rare opportunity to travel into a real world that is her own—her life. This new edition features a refreshed design, an introduction by New York Times best-selling author Alice Hoffman, and original material from Lois as she shares memories from the past twenty years of her life, including the making of the film, *The Giver*. Readers

will find inspiration and insight in this poignant trip through a legendary writer's past.

The Giver

From two-time Newbery medalist and living legend Lois Lowry comes a moving account of the lives lost in two of WWII's most infamous events: Pearl Harbor and Hiroshima. With evocative black-and-white illustrations by SCBWI Golden Kite Award winner Kenard Pak. Lois Lowry looks back at history through a personal lens as she draws from her own memories as a child in Hawaii and Japan, as well as from historical research, in this stunning work in verse for young readers. On the Horizon tells the story of people whose lives were lost or forever altered by the twin tragedies of Pearl Harbor and Hiroshima. Based on the lives of soldiers at Pearl Harbor and civilians in Hiroshima, On the Horizon contemplates humanity and war through verse that sings with pain, truth, and the importance of bridging cultural divides. This masterful work emphasizes empathy and understanding in search of commonality and friendship, vital lessons for students as well as citizens of today's world. Kenard Pak's stunning illustrations depict real-life people, places, and events, making for an incredibly vivid return to our collective past. In turns haunting, heartbreaking, and uplifting, On the Horizon will remind readers of the horrors and heroism in our past, as well as offer hope for our future.

The Birthday Ball

Will he find a way to be the Chief of Wonderfulness as he teaches his classmates about all the different animals? Hilarious and charming, Zooman Sam is perfect for readers new and old, and for anyone who still asks themselves the question: "What do I want to be when I grow up?"

The Giver (Graphic Novel)

The inspiration for the NBC drama *New Amsterdam* and in the spirit of Oliver Sacks, this intensely involving memoir from a former medical director of a major NYC hospital looks poignantly at patients' lives and reveals the author's own battle with cancer. Using the plights of twelve very different patients--from dignitaries at the nearby UN, to supermax prisoners at Riker's Island, to illegal immigrants, and Wall Street tycoons--Dr. Eric Manheimer "offers far more than remarkable medical dramas: he blends each patient's personal experiences with their social implications" (Publishers Weekly). Manheimer was not only the medical director of the country's oldest public hospital for over 13 years, but he was also a patient. As

the book unfolds, the narrator is diagnosed with cancer, and he is forced to wrestle with the end of his own life even as he struggles to save the lives of others.

Switcharound

From the New York Times bestselling author of Stepbrother Dearest, comes a new forbidden STANDALONE romance. What happens when the one you want is the only one you can't have? It was set in stone. Elle and I were getting married. After years of rebelling against everything good and wholesome, I finally gave in and took up with a nice girl. After a long-distance relationship, I moved into her family's guesthouse so we could spend time together in the months before the wedding. Elle was unlike anyone I'd ever been with. She was so innocent, and I had to respect her choice to wait until after we were married to have sex. I'd accepted that as my fate--even learned to control my desires. Until I met her...the one. That was when restraint became a problem...especially since "the one" wasn't Elle. It was her sister, Evangeline. And I was screwed. Told in alternating points of view, Sins of Sevin is a full-length standalone novel.

August, the mysterious newcomer, claims to be in Storybrooke because, as a writer, the town inspires him. As the other characters discover, though, he knows more about fairytales than he lets on. Combining science facts, lively illustrations, and comic-book trivia with actual correspondence from superhumans such as NYPD Sergeant Mike Bruen, Olympian Clara Hughes, and Captain Marvel writer Kelly Sue DeConnick, *Project Superhero* is a celebration of the heroes among us and of one girl's super-secret identity: herself.
