Vanished

Suelette Dreyfus and her co-author, WikiLeaks founder Julian Assange, tell the extraordinary true story of the computer underground, and the bizarre lives and crimes of an elite ring of international hackers who took on the establishment. Spanning three continents and a decade of high level infiltration, they created chaos amongst some of the world's biggest and most powerful organisations, including NASA and the US military. Brilliant and obsessed, many of them found themselves addicted to hacking and phreaking. Some descended into drugs and

madness, others ended up in jail. As riveting as the finest detective novel and meticulously researched, *Underground* follows the hackers through their crimes, their betrayals, the hunt, raids and investigations. It is a gripping tale of the digital underground.

The Good, the Bad, and the Uncanny

To find the ghost of her killer-and rescue her father-Harper Blaine will have to enter into the Grey. And with her growing powers pulling her deeper into that paranormal world, she's afraid she may not be able to come back out.

Downpour

Lieutenant Donal Connor has been given the most bizarre of new cases. Four famous stage performers have died in recent months, three of them in state capitals within Transifica, the fourth in far Zurinam. And now the idolised diva Maria deLivnova is coming to Tristopolis. Donal's boss is determined that nothing like this is ever to happen in his city. Connor is to have anything he needs, as long as the diva lives. And so begins a dark investigation through a world where corpses give up their psychic energy in the massive necroflux generators which power the city, where gargoyles talk, where wraiths work in slavery, a world of the dead

where corruption is alive. This is an extraordinary SF novel set in alternate universe quite unlike any imagined in SF before; a universe where magic and the supernatural and the undead are given a scientific rationale and hoorfyingly plausible rationale. The novel's setting, Tristopolis, is the ultimate noir city; an immense baroque creation of haunted stone skyscrapers, black metal and city-wide catacombs. Its hero Donal Connor is immensely likeable and easy to identify with. Even once he's dead.

Underground

In the days leading up to Christmas, struggling actress Esther Diamond is working as a singing-and-dancing elf at Fenster & Co, a major Manhattan department store. As if dealing with hordes of holiday shoppers isn't bad enough, Esther's ex-almost-boyfriend, Detective Connor Lopez, is on the scene investigating a series of mob-related truck hijackings of Fenster's merchandise. Semi-retired hitman Lucky Battistuzzi is also nosing around, since the mob resents being implicated in thefts they didn't commit. But when supernatural mishaps occur, Esther realizes this is more than the usual holiday insanity—it's time to call in her friend Max, Manhattan's resident mage. Esther and Max discover that Fenster's has become the staging ground for the rebirth of an ancient demon that's plotting to escape its mystical prison on the winter solstice. As dimensional barriers crumble, can Esther rescue her fellow elves, save her city from demonic disaster, and collect her paycheck in time to make rent? *Poltergeist* is the thrilling fifth installment of the Esther Diamond series.

Dead Things

Includes “Story of Your Life” the basis for the major motion picture Arrival, starring Amy Adams, Forest Whitaker, Jeremy Renner, and directed by Denis Villeneuve. “Shining, haunting, mind-blowing tales . . . Ted Chiang is so exhilarating, so original, so stylish he just leaves you speechless.” —Junot Díaz Stories of Your Life and Others delivers dual delights of the very, very strange and the heartbreakingly familiar, often presenting characters who must confront sudden change—the inevitable rise of automatons or the appearance of aliens—with some sense of normalcy. With sharp intelligence and humor, Chiang examines what it means to be alive in a world marked by uncertainty, but also by beauty and wonder. An award-winning collection from one of today's most lauded writers, Stories of Your Life and Others is a contemporary classic.

Greywalker

In the early days of the Civil War, rumors of gold in the frozen Klondike brought hordes of newcomers to the Pacific Northwest. Anxious to compete, Russian prospectors commissioned inventor Leviticus Blue to create a great machine that could mine through Alaska's ice. Thus was Dr. Blue's Incredible Bone-Shaking Drill Engine born. But on its first test run the Boneshaker went terribly awry, destroying

several blocks of downtown Seattle and unearthing a subterranean vein of blight gas that turned anyone who breathed it into the living dead. Now it is sixteen years later, and a wall has been built to enclose the devastated and toxic city. Just beyond it lives Blue's widow, Briar Wilkes. Life is hard with a ruined reputation and a teenaged boy to support, but she and Ezekiel are managing. Until Ezekiel undertakes a secret crusade to rewrite history. His quest will take him under the wall and into a city teeming with ravenous undead, air pirates, criminal overlords, and heavily armed refugees. And only Briar can bring him out alive. Blood of the Demon

With the ring of sorrows still missing, and the covenant between othernaturals and mortals broken, Chrysabelle and Malkolm's problems are just beginning. Chrysabelle still owes Malkolm for his help, but fulfilling that debt means returning to Corvinestri, the hidden vampire city neither of them is welcome in. The discovery that Chrysabelle has a brother could mean reneging on her promise to Malkolm, something that might make him angry enough to loose the beast living inside him. And fulfilling her vow could prove devastating for Chrysabelle --- especially when you throw in power hungry witches, dead fringe vampires, and the Kubai Mata.

THE CONTINUING ADVENTURES OF THE SMART, SEXY — SUPERNATURAL — WOMEN OF THE OTHERWORLD Eve Levine — half-demon, black witch and devoted mother — has been dead for three years. She has a great house, an interesting love life and can't be killed again — which comes in handy when you've made as many enemies as Eve. Yes, the afterlife isn't too bad — all she needs to do is find a way to communicate with her daughter, Savannah, and she'll be happy. But fate — or more exactly, the Fates — have other plans. Eve owes them a favor, and they've just called it in. An evil spirit called the Nix has escaped from hell. She feeds on chaos and death, and is very good at persuading people to kill for her. The Fates want Eve to hunt her down before she does any more damage, but the Nix is a dangerous enemy — previous hunters have been driven insane in the process. As if that's not problem enough, the only way to stop her is with an angel's sword. And Eve is no angel. . . .

Vanished

This science fiction police procedural pairs an idealistic rookie with an officer who uses cybernetic implants to process forensics; in solving a mass murder, they will uncover a vast conspiracy. Eric Matheson, an idealistic rookie cop trying to break

from his powerful family, is plunged into the investigation of a brutal crime in his first weeks on the job in Angra Dastrelas, the corrupt capital city of the corporate-owned planet Gattis. A newcomer to the planet, Matheson is unaware of the danger he's courting when he's promoted in the field to assist the controversial Chief Investigating Forensic Officer, Inspector J. P. Dillal, the planet's first cybernetically enhanced investigator. Coming from a despised ethnic underclass, the brilliant and secretive Dillal seems determined to unravel the crime regardless of the consequences. The deeper they dig, the more dangerous the investigation becomes. But in a system where the cops enforce corporate will, instead of the law, the solution could expose Gattis's most shocking secrets and cost thousands of lives--including Matheson's and Dillal's.

Seawitch

Stephen Blackmoore's dark urban fantasy series follows necromancer Eric Carter

through a world of vengeful gods and goddesses, mysterious murders, and restless ghosts. Necromancer is such an ugly word, but it's a title Eric Carter is stuck with. He sees ghosts, talks to the dead. He's turned it into a lucrative career putting troublesome spirits to rest, sometimes taking on even more dangerous things. For a fee, of course. When he left LA fifteen years ago, he thought he'd never go back. Too many bad memories. Too many people trying to kill him. But now his sister's been brutally murdered and Carter wants to find out why. Was it the gangster looking to settle a score? The ghost of a mage he killed the night he left town? Maybe it's the patron saint of violent death herself, Santa Muerte, who's taken an unusually keen interest in him. Carter's going to find out who did it, and he's going to make them pay. As long as they don't kill him first.

Poltergeist

HIS NAME IS DANTE. Dark. Talented. Beautiful. Star of the rock band Inferno. Rumored owner of the hot New Orleans nightclub Club Hell. Born of the Blood, then broken by an evil beyond imagination. HIS PAST IS A MYSTERY. F.B.I. Special Agent Heather Wallace has been tracking a sadistic serial murderer known as the Cross Country Killer, and the trail has led her to New Orleans, Club Hell, and Dante. But the dangerously attractive musician not only resists her investigation, he claims to be "nightkind": in other words, a vampire. Digging into his past for answers reveals little. A juvenile record a mile long. No social security number. No known birth

date. In and out of foster homes for most of his life before being taken in by a man named Lucien DeNoir, who appears to guard mysteries of his own. HIS FUTURE IS CHAOS. What Heather does know about Dante is that something links him to the killer -- and she's pretty sure that link makes him the CCK's next target. Heather must unravel the truth about this sensual, complicated, vulnerable young man -- who, she begins to believe, may indeed be a vampire -- in order to finally bring a killer to justice. But Dante's past holds a shocking, dangerous secret, and once it is revealed not even Heather will be able to protect him from his destiny.

Bigfootloose and Finn Fancy Free

Labyrinth

After the death of her mother, Paige Winterbourne inherits the role of leader of the American Coven of Witches and is put in charge of an orphan girl who is all too willing to use her powers for evil and must be shown the proper way to use her magic.

Boneshaker

In *Bigfootloose* and *Finn Fancy Free*, the sequel to Randy Henderson's acclaimed debut novel, *Finn Fancy Necromancy*, Finn Gramaraye is settling back into the real world after his twenty-five-year-long imprisonment in the otherworld of the Fey. He's fallen in love again with Dawn, the girl next door who waited for him. He's proved his innocence of the original crime of *Dark Necromancy*, and he's finding a place in the family business--operating a mortuary for the Arcane, managing the magical energies left behind when an Arcane being dies to prevent it from harming the mundane world. But Finn wants more. Or different. Or something. He's figured out how to use the Kinfinder device created by his half-mad father to find people's True Love, and he'd like to convert that into an Arcane Dating Service. It's a great idea. Everyone wants True Love! Unfortunately, trouble always seems to find Finn, and when he agrees to help his friend, the Bigfoot named Sal, they walk right into a Feyblood rebellion against the Arcane Ruling Council, a rebellion being fomented by unknown forces and fueled by the drug created by Finn's own grandfather. Poltergeist

In a brilliant collaboration by New York Times and critically acclaimed coauthors Charlaine Harris, Christopher Golden, Kelley Armstrong, Jonathan Maberry, Kat Richardson, Seanan McGuire, Tim Lebbon, Cherie Priest, James A. Moore, and Mark Morris join forces to bring you a crime-solving novel like you've never read before. Investigative reporter Nora Hesper spends her nights cloaked in shadows. As Indigo, she's become an urban myth, a brutal vigilante who can forge darkness into weapons and travel across the city by slipping from one patch of shadow to another. Her primary focus both as Nora and as Indigo has become a murderous criminal cult called the Children of Phonos. Children are being murdered in New York, and Nora is determined to make it stop, even if that means Indigo must eliminate every member. But in the aftermath of a bloody battle, a dying cultist makes claims that cause Indigo to question her own origin and memories. Nora's parents were killed when she was nineteen years old. She took the life insurance money and went off to explore the world, leading to her becoming a student of meditation and strange magic in a mountaintop monastery in Nepala history that many would realize sounds suspiciously like the origins of several comic book characters. As Nora starts to pick apart her memory, it begins to unravel. Her parents are dead, but the rest is a series of lies. Where did she get the power inside her?

Bone Song

The name's John Taylor. I'm a PI, though what I really do is find things that are lost. I work the Nightside, the city within the city of London, where the sun never rises and where the human and inhuman go to get their kicks, provided they're willing to pay the price in whatever currency the seller demands. In the wake of the war that almost brought the Nightside to total ruin, there's a power vacuum begging to be filled—and some think I should take charge. I don't agree. Neither does the immortal known as the Griffin. Wealthy beyond reason, he has his own ideas about who should be running things. Still, when his granddaughter—and designated heir—is kidnapped, he calls on me to find her. But someone—or some Thing—is blocking my special gift. So this time, I'm going to have to do my job the hard way. And quickly, or the Griffin will have to choose a new heir...

Blood Orbit

The fifth book of this dark urban fantasy series follows necromancer Eric Carter through a world of vengeful gods and goddesses, mysterious murders, and restless ghosts. The Los Angeles Firestorm killed over a hundred thousand people, set in revenge against necromancer Eric Carter for defying the Aztec god Quetzalcoatl. Carter feels every drop of that blood on his hands. But now there's a new problem. Too many ghosts in one spot and the barrier separating them from the living cracks. And when they cross it, they feed off all the life they can get hold of. People die. L.A. suddenly has a lot more ghosts. But it's not just one or two ghosts

breaking through: it's dozens. Another mage is pulling them through the cracks and turning them into deadly weapons. Eric follows a trail that takes him through the world of the Chinese Triads, old associates, old crimes. And a past that he thought he was done with. Carter needs to find out how to get things under control, because if more ghosts break through, there's going to be even more blood on his hands.
