My First Bilingual Little Readers: Level C: Grades K-2

Exercises to facilitate effective communication across a wide range of cultural differences Communication styles and patterns differ vastly among people from different cultures. Every culture has a "communication style norm" and when that style mixes with another, stereotypes and misperceptions arise. 52 Activities for Improving Cross-Cultural Communication explores cross-cultural communication issues with an eye toward increasing understanding and effectiveness. 52 Activities for Improving Cross-Cultural Communication is a practical trainer's manual that includes applications from many sectors, such as business, diversity, cross-cultural fields, and from many trainers in the U.S., Europe, Asia, the Middle East and Latin America. Exercises are organized according to audience, time required to perform and the risk level for participants, a unique feature created by the authors, and are easily adaptable to the user's particular need and situation. Many of the exercises are written with instructions that address requirements for a specific audience (e.g., gender or generation). There is something for everyone: those who like hands-on, practical activities; those who prefer experiential exercises; and those who learn best through reflection.

I Will Surprise My Friend!

Shirley Jackson [RL 6 IL 7-10] A boy's kindergarten career surprises his parents. Themes: change; perception versus reality. 24 pages. Tale Blazers.

52 Activities for Improving Cross-Cultural Communication

This series of books is designed to help upper-elementary teachers teach a rigorous yearlong writing curriculum.

Hop on Pop

A 2014 Newbery Honor Book A New York Times Bestseller Award-winning, nationally bestselling author Kevin Henkes introduces second-grader Billy Miller in this fast-paced and funny story about friendship, sibling rivalry, and elementary school. The Year of Billy Miller includes black-and-white art by Kevin Henkes and is perfect for fans of the Ramona books;

Frindle, by Andrew Clements; and the Clementine series. The New York Times declared: "Henkes's delightful story is restrained and vivid . . . forgoing the overdramatic or zany, it shows the substance, warmth and adaptability of beautifully common family love." When Billy Miller has a mishap at the statue of the Jolly Green Giant at the end of summer vacation, he ends up with a big lump on his head. What a way to start second grade, with a lump on your head! As the year goes by, though, Billy figures out how to navigate elementary school, how to appreciate his little sister, and how to be a more grown up and responsible member of the family and a help to his busy working mom and stay-at-home dad. Newbery Honor author and Caldecott Medalist Kevin Henkes delivers a short, satisfying, laugh-out-loud-funny school and family story that features a diorama homework assignment, a school poetry slam, cancelled sleepovers, and epic sibling temper tantrums. This is a perfect short novel for the early elementary grades.

Emma needs to prepare for her class's production of The Wizard of Oz, so she can't play with her puppy, Dixie, after school. But Dixie does not understand. Features read-to-me audio, perfect for sharing.

Vocabulary Power Plus Book H

The Giver

New York Times Bestseller List “Leonard and Gobi’s story represents the power of people working together and the profound depth of feeling possible between a man and his dog.”--Publishers Weekly A man, a dog, and the lengths to which love will go to sacrifice for its companion. Finding Gobi is the miraculous tale of Dion Leonard, a seasoned ultramarathon runner who crosses paths with a stray dog while competing in a 155-mile race through the Gobi Desert in China. The lovable pup, who would later earn the name Gobi, proved that what she lacked in size, she more than made up for in heart, as she went step for step with Dion over the Tian Shan Mountains, across massive sand dunes, through yurt villages and the black sands of the Gobi Desert, keeping pace with him for 77 miles. As Dion witnessed the incredible determination and heart of this small animal, he found his own heart undergoing a change as well. Whereas in the past these races were all about winning and being the best, his goal now was to make sure he and Gobi’s friendship continued well after the finish line. He found himself letting Gobi sleep in his tent at night, giving her food and water out of his own limited supply, and carrying her across numerous rivers, even when he knew it would mean putting him behind in the race, or worse, prevent him from finishing at all. Although Dion did not cross the finish line first, he felt he had won something even greater – a new outlook on life and a new friend that he planned on bringing home as soon as arrangements were made. However, before he could take her home, Gobi went missing in the sprawling Chinese city where she was being kept. Dion, with the help of strangers and a viral outpouring of assistance on the internet, set out to track her down, and reunite forever with the amazing animal that changed his life and proved to him and the world that miracles are possible.

Vocabulary Workshop Level Blue (Teacher's Edition)(New Edition)

Living in a "perfect" world without social ills, a boy approaches the time when he will receive a life assignment from the Elders, but his selection leads him to a mysterious man known as the Giver, who reveals the dark secrets behind the utopian facade.

Vocabulary Workshop Test Booklets

Finding Gobi

This practical teacher's resource is for use at KS2/P4-7. It provides structured lesson plans and linked copymasters, putting the emphasis on direct teaching and clear targets for pupil achievement in every lesson.

Dixie

This New York Times bestselling novel from acclaimed author Walter Dean Myers tells the story of Steve Harmon, a teenage boy in juvenile detention and on trial. Presented as a screenplay of Steve's own imagination, and peppered with journal entries, the book shows how one single decision can change our whole lives. *Monster* is a multi-award-winning, provocative coming-of-age story that was the first-ever Michael L. Printz Award recipient, an ALA Best Book, a Coretta Scott King Honor selection, and a National Book Award finalist. *Monster* is now a major motion picture called *All Rise* and starring Jennifer Hudson, Kelvin Harrison, Jr., Nas, and A\$AP Rocky. The late Walter Dean Myers was a National Ambassador for Young People's Literature, who was known for his commitment to realistically depicting kids from his hometown of Harlem.

Vocabulary Workshop 2005

No matter how silly the requests, there is one day a year when kids always receive positive answers: Can I have pizza for breakfast? Yes! Can we have a food fight? Yes! Can I stay up really late? Yes! This day is simply called Yes Day and it's the best day of the year. Amy Krouse Rosenthal's simple text coupled with Tom Lichtenheld's delightful illustrations will send kids on a journey into their wildest wishes. With humor and appreciation for life's little pleasures, *Yes Day!* captures the excitement of being a kid.

Vocabulary Workshop

How do crocodiles clean their teeth? With level D of Reading for Comprehension, your students will learn all about this kid-friendly topic and many more. This book for grade 4 students includes 46 high-interest, nonfiction articles with questions that reinforce key reading and writing skills commonly found on state tests. Multiple-choice questions test these reading skills: vocabulary, main idea and details, sequence, cause and effect, and inferences and conclusions. Students also answer open-ended questions to practice writing narrative text, descriptive text, persuasive text, and expository text.

Yes Day!

What are "essential questions," and how do they differ from other kinds of questions? What's so great about them? Why should you design and use essential questions in your classroom? Essential questions (EQs) help target standards as you organize curriculum content into coherent units that yield focused and thoughtful learning. In the classroom, EQs are used to stimulate students' discussions and promote a deeper understanding of the content. Whether you are an Understanding by Design (UbD) devotee or are searching for ways to address standards—local or Common Core State Standards—in an

engaging way, Jay McTighe and Grant Wiggins provide practical guidance on how to design, initiate, and embed inquiry-based teaching and learning in your classroom. Offering dozens of examples, the authors explore the usefulness of EQs in all K-12 content areas, including skill-based areas such as math, PE, language instruction, and arts education. As an important element of their backward design approach to designing curriculum, instruction, and assessment, the authors

- *Give a comprehensive explanation of why EQs are so important;
- *Explore seven defining characteristics of EQs;
- *Distinguish between topical and overarching questions and their uses;
- *Outline the rationale for using EQs as the focal point in creating units of study; and
- *Show how to create effective EQs, working from sources including standards, desired understandings, and student misconceptions.

Using essential questions can be challenging—for both teachers and students—and this book provides guidance through practical and proven processes, as well as suggested "response strategies" to encourage student engagement. Finally, you will learn how to create a culture of inquiry so that all members of the educational community—students, teachers, and administrators—benefit from the increased rigor and deepened understanding that emerge when essential questions become a guiding force for learners of all ages.

Let's read about-- George Washington

25 reproducible mini-books in English and Spanish that give kids a great start in reading.

Anne Frank

The unforgettable bestseller *Wonder* has inspired a nationwide movement to Choose Kind. Now parents and educators can introduce the importance of choosing kind to younger readers with this gorgeous picture book, featuring Auggie and Daisy on an original adventure, written and illustrated by R. J. Palacio. Over 6 million people have fallen in love with *Wonder* and have joined the movement to Choose Kind. Now younger readers can meet Auggie Pullman, an ordinary boy with an extraordinary face, and his beloved dog, Daisy. Countless fans have asked R. J. Palacio to write a book for younger readers. With *We're All Wonders*, she makes her picture-book debut as both author and artist, with a spare, powerful text and striking, richly imagined illustrations. Palacio shows readers what it's like to live in Auggie's world—a world in which he feels like any other kid, but he's not always seen that way. *We're All Wonders* may be Auggie's story, but it taps into every child's longing to belong, and to be seen for who they truly are. It's the perfect way for families and educators to talk about empathy and kindness with young children. A Grammar of Slave

Wolf soon forgets his hunger as he goes from school to library to bookstore. As hungry wolf descends on the farm, he is surprised to find that the animals there are quite well-educated. The only way he can get into the farm is to learn how to read. But acceptance in farm circles is not so easy as the animals present the wolf with one challenge after another. Wolf soon forgets his hunger as he goes from school to library to bookstore.

All about You

The warm summer sun means time for a splashing good time. Picnics with friends and family, sand castles at the beach. Fireworks in the night sky, and ice pop treats in Sweet Summer.

My Friend Rabbit

Fundamentals of Fire Fighter Skills

Vocabulary Workshop

Lucy Calkins discusses how to teach writing and how children develop as writers; she stresses the importance of staff development for teachers of writing.

Sweet Summer

Best friends Elephant and Piggie decide that they will try to surprise each other, with unexpected results.

Jump, Frog, Jump!

"This is the turtle that slid into the pond and ate the snake that dropped from a branch and swallowed the fish that swam after the frog -- JUMP, FROG, JUMP!" This infectious cumulative tale will soon have the young frogs you know jumping and chanting with joy.

Reading for Comprehension

A series of questions introduces words for feelings, clothing, food, animals, daily activities, and more.

Units of Study for Teaching Writing

The series builds an extensive collection of high quality descriptions of languages around the world. Each volume offers a comprehensive grammatical description of a single language together with fully analyzed sample texts and, if appropriate, a word list and other relevant information which is available on the language in question. There are no restrictions as to language family or area, and although special attention is paid to hitherto undescribed languages, new and valuable treatments of better known languages are also included. No theoretical model is imposed on the authors; the only criterion is a high standard of scientific quality.

Fiction and Poetry

Rabbit saves the day in a most ingeneous way. When Mouse lets his best friend, Rabbit, play with his brand-new airplane, trouble isn't far behind. From Caldecott Honor award winner Eric Rohmann comes a brand-new picture book about friends and toys and trouble, illustrated in robust, expressive prints. My Friend Rabbit is the winner of the 2003 Caldecott Medal.
